The Benefits

The versatility of Central Massachusetts’ public higher education institutions gives students a range of affordable options. Earn 2 degrees in 4 years in your chosen field for $30,000, making it one of the most affordable options in the entire Northeast.

In order to qualify you must be:
- full time
- non-residential
- in-state
- college ready

Your cost may be further reduced if you are eligible for financial aid.

The Workforce

These four institutions aim to develop students’ career potential while meeting the workforce needs of Massachusetts. The programs offered support economic growth and vitality throughout our region.
