Mission:

Benefits:
- You will work with transition tutors who receive ongoing training aimed at meeting your individual need.
- You can schedule One on One tutoring appointments and/or utilize drop-in sessions.
- You will receive tutoring in a more private, less distracting location.
- You will develop an individualized student success plan aimed at helping you to transition more smoothly into college.
- You will learn the process of forming a study group with your classmates.

- Learning Style
- Time Management
- Organization
