

FINANCIAL AID APPLICATION INFORMATION SUMMER 2010

Financial aid for the 2010 Summer sessions is extremely limited! To be considered for financial aid students must complete the application process; meet academic and financial eligibility criteria; enroll for at least three (3) credits in either summer session, and be admitted to an eligible degree or certificate program with an accepted date prior to Fall 2010. Not all students are eligible for summer financial aid.

Application Forms — You must have a complete 2009-2010 financial aid file and a Summer 2010 Financial Aid Application on file to be considered for summer funding.

Deadline Date — Priority Due Date is **April 15, 2010**. Students submitting a complete application by this due date will receive a response by the Summer I bill due date of **April 29, 2010**. Submitting an application after April 15, 2010 may require you to make arrangements for payment of your bill. If financial aid is subsequently awarded to you, a refund will be made to you after the start of Summer Session II, if applicable.

Federal Work Study — If you are interested in participating in the Federal Work Study program for the summer, you must be a returning student at Quinsigamond Community College. You **do not** need to be enrolled in summer courses. You do, however, need to have a complete 2010-2011 financial aid file, show financial need, and be pre-registered for at least six credits for the Fall 2010 semester no later than June 1, 2010. You must also complete a Student Job Request form, available online at http://www.qcc.edu/pages/Financial_Aid_and_Scholarships7.html and on the bulletin board outside of the Financial Aid Office.

Books and Supplies — You should be prepared to pay for your own books and supplies for summer courses. However, some students may have financial aid in excess of the amount of tuition and fees due for Summer I and/or Summer II. During the Summer I session, this excess amount may be used for purchases at QCC's Bookstore. As is the case during the academic year, the Bookstore will be notified of eligible students at the time they start selling books for Summer I 2010.
