4. Agenda and Notes, Decisions, Issues

Topic	Discussion
1. New Senator Induction Person to speak: Jorgo	No inductions happened this week because of the advisor's absence.
2. President Report Person to speak: Mustafa	President Teixeira was absent in this meeting, Vice President Boweden presided over the meeting. Stephanie sent her apologies for her absence. This week Mike and Paige were out of the office and so this was a shorter meeting without a lot of freedom for open discussion without the advisors being present. There was a reminder for everyone about their upcoming committee meetings. Committee representatives should submit and email a summary they attend their committees so that we may disperse that information to the entire group. Stephanie attended WSGA meeting along with Jorgo this past weekend, it was great to have so many leaders from other schools working together to come up with solutions to our campus problems, we are looking into, with the assistance of the Worcester chamber of commerce, how

	<p>to socially connect our schools on some of the bigger events that are held on our campuses. There is also a problem across the city with violence toward the LGBT community and Stephanie met with the Worcester Police Chief and the LGBT liaison for the Worcester police on Tuesday to discuss this further. We are going to work together along with Worcester pride to provide campuses with information and possibly entertainment to break the stigma of the community and to promote unity for our fellow students. Stephanie wanted to remind everyone to email the E-Board if they have any ideas on goals for the year, we have not yet received any emails which would allow us to consider everyone's input in this.</p>	
<p>3. The Every Voice Coalition Person to speak: Danielle</p>	<p>Danielle is from the Every Voice coalition that is working to change legislation conserving sexual assaults, Danielle graciously came to explain to us more about what their mission is and what they are looking for in terms of on campus support. It is a student movement and a volunteer coalition. The Every Voice Coalition tries to connect students from different campuses, so they can create a network of collaboration. She spread informational handouts and her contact information. In our next Senate meeting we will discuss and decide who will be the representative of The Every Voice Coalition in QCC Campus.</p>	
<p>4. Women in STEM Person to speak: Rose</p>	<p>Rose presented a new club that she founded named "Women in STEM". Last year this club was mostly handled by professors, this year it will be a student club. This club aims to involve more women in STEM, participation is open to both genders although it aims to raise awareness for women. Rose has completed the application for the creation of the club, it was approved from Student Life and an advisor was assigned. The club was bring in the Student Senate for final approval. There was a motion, a seconder and the club creation was approved unanimously.</p>

<p>6. Open Forum</p>	<ul style="list-style-type: none"> • Senator Philip Saal talked about a service project on Saturday November 10th at Saint Francis Nursing Home from 9am-3pm. It could be great if at least five members of the Senate could attend. • Senator Nelly Medina asked about the procedure of creating a new club in QCC. • Public Relations Mohamed Boweden and Senator Vaughn Lee went to the Marketing Office about the logo of the Student Senate.
