Rafik Kahn Fund

With the assistance of many individuals, not only from within the school but also many outside people, a benefit show was held at the YWCA in Worcester to raise money to pay doctor bills for Rafik Kahn, an exchange student from Guam, who was injured in a skiing accident during the school year.

Many thanks go to all who contributed so generously of their time and other contributions.

Apologies

to those we missed misplaced especially those people this any changed in any way
for the abortive zodiac theme
for our advisor who doesn't believe in the zodiac anyway
it's not in our stars dear brutus
to the non-supernatural
for the king for the murder of his language
to the student body for its patience
to the people who didn't come out so well in our homemade portraits
for the lowness of the book
for our editor who didn't give a damn, proud, confused
too suffocated to accept help — erroneous editor
should have been a photographer
for anything we've overlooked
we beg your patience
