Welcome to our SMOKEFREE campus

In order to provide a healthy working and learning environment, QCC’s Board of Trustees voted to institute a SMOKEFREE campus policy beginning Fall Semester 2013.

The student-driven initiative was established to create a campus culture of wellness and promote a tobacco-free future. QCC will now join the hundreds of other colleges and universities that have already made SMOKEFREE a reality!
Dear Student,

Welcome to Quinsigamond Community College. You have taken the important step of forwarding your education. As a student-focused institution of higher learning we continue to seek new and better ways to serve our most prized asset—you, our students. I encourage you to take advantage of all that QCC has to offer in its academic programming, transfer, and career opportunities. Use this handbook as a tool to guide you to the resources and facilities available to you as you pursue your degree or certificate.

As always, our formula for success at QCC is to provide you with a high quality education that is both affordable and accessible, combined with the best support resources available: Quality + Affordability + Support = Success!

My sincere best wishes for your bright and successful future at Quinsigamond.

Sincerely,

Gail E. Carberry, Ed. D.

The Campus Police Department’s primary function is to provide the best professional police/safety services including emergency assistance to its community members. We encourage community members to contact the Department if you need assistance with a lost item, general safety related information or emergency assistance. We believe Safety at Quinsigamond Community College involves the entire community working together in
maintaining an atmosphere that fosters a safe and secure learning environment.

**CAREER VOCATIONAL TECHNICAL EDUCATION (CVTE) (FORMERLY TECH PREP)**

The Massachusetts Department of Elementary and Secondary Education (DESE) instituted significant changes to the Tech Prep program as of August 31, 2011. The program has been disbanded and renamed Secondary/Postsecondary CVTE Linkages. It is funded with DESE formula allocation grants to community colleges. The secondary/postsecondary linkage is comprised of community colleges and school districts that have Career and Technical Education (CTE) programs.

These programs give high school students the opportunity to take courses that “mirror” college courses. If they enroll at QCC and meet the course prerequisite requirements, they will be eligible for college credit. Additionally, students at participating high schools may be provided the opportunity to enroll in QCC courses for college credit.

For more information, contact the Manager of Educational Partnerships at 508.854.2853.

**CHILDREN’S SCHOOL**

**Early Childhood**

**Voice:** 508.854.4220
**Email:** janel@qcc.mass.edu

**Philosophy**

Quinsigamond Children’s School offers to young children (ages 2 years 9 months to 5 years) a program that fosters appreciation of self, others, and the world around them. It promotes self-motivated learning through discovery and hands-on involvement with the environment. Emphasis is placed on meeting individual needs while encouraging respect for others.

Each child progresses at his/her own pace through individual, small group, and large group activities. Experiences are designed to help children develop basic skills, to encourage a working understanding of concepts, and to simulate greater facility in language use and communication. Children are challenged to solve simple problems and to practice developing skills in an environment filled with manipulative, creative, and dramatic sensory materials. Behavioral limits are set to provide children with a sense of security; actions are redirected, feelings are discussed, and self-respect is preserved.

The Children’s School combines exploration and discovery, opportunities for making choices, and an atmosphere of order, predictability, warmth, and mutual trust. Most important, children gain feelings of confidence and competence through their interactions with people and materials.

The school is licensed by the Massachusetts Department of Early Education and Care and accredited by the National Association for the Education of Young Children (NAEYC).

**Programs**

The Children’s School Classroom 1 was established in 1972 as a model training
site for students in the Early Childhood Associate Degree Program.

The Children's School Classroom 2 was established in September 1986 primarily to provide an all-day experience for children of students, faculty and staff at the college. The school provides early care and education for children 2 years 9 months to 5 years of age from the college community and the greater Worcester Area. Administered by the Quinsigamond Community College Child Study faculty, the on campus school provides:

• A rich learning environment for young children,

THE COMMONWEALTH HONORS PROGRAM (357A)

Voice: 508.854.2759

The institutions of public higher education within Massachusetts—the community colleges, and state university campuses—believe that it is important for each institution to offer its students an opportunity for honors participation. Honors courses and honors programs should provide both challenging and exciting educational opportunities for students (Source: Massachusetts Department of Higher Education, January 27, 1999). The Quinsigamond Community College Honors Program offers highly motivated, achievement-oriented students an opportunity for enhanced success by preparing them to continue their studies at colleges and universities throughout the country. The proposed curriculum includes four classes, over the course of the student’s time at QCC, designated as honors sections, such as ENG 101, PSY 101, ENG 102, SOC 101, among others. To be admitted students must meet at least one of the following criteria:

- Current QCC Students: 3.5 cumulative GPA (progress or final grades) with college level credits.
- New QCC Students: CPT Placement Test: a placement of 11 or 12 on the writing exam, placement into ENG 101, and a recommended placement of MAT 099.
- Transfer Students: in good standing from another Commonwealth Honors Program.
- A student who does not meet one of the above automatic admissions criteria may apply to the Honors Coordinator, providing other evidence of academic success including recommendations from high school or college faculty.

To remain in good standing, and for QCC’s Honors Program to be recognized as a Commonwealth Honors Program, all students, once accepted into the Honors Program, must maintain a cumulative grade point average of no less than 3.3. Graduating from QCC’s Commonwealth Honors Program guarantees students an acceptance into a Massachusetts four-year public state college or university honors program.

Copies of the procedures are available in Student Life. Student Life, in the Fuller Student Center, provides the opportunity for you to create and participate in a program of cultural, educational, recreational and social activities.

The College recognizes that much of the students’ real education takes place outside of the classroom and provides the students, through, with the opportunity to use their skills and interests to enrich themselves and the college community.

The regulations governing student participation in extracurricular activities are as follows:

As part of the process, you will be required to create a constitution for your club or organization (samples are located in Student Life) as well as find a faculty or staff advisor. **Discipline in the Classroom or on College Property**

Disrupting or interfering in the educational process is prohibited under this policy. If a student engages in disruptive conduct in the classroom or anywhere on campus, a faculty member or other college employee may address and informally resolve the matter without filing a complaint under the Code. A faculty member or other college employee may exercise his/her right to immediately remove a disruptive student from a class meeting or other college area. On the first occasion when a student is removed from a classroom or other college area, the faculty member
or other college employee is strongly encouraged to notify the CCO. In all subsequent cases of removing a student from a classroom or other college area, the faculty member or other college employee shall notify the CCO. A faculty member or other college employee may seek the assistance of college security if necessary to remove the student from the class meeting or other college area. If the removal of a student from the classroom is intended to be permanent, a complaint under this policy shall be filed with the CCO by the faculty member. The CCO can exercise his/her discretion to allow the accused student to attend class during the disciplinary process upon consultation with the faculty member and the Chief Academic Officer or his/her designee.

**Off Campus Behavior**

The College reserves the right to take disciplinary action against a student for off-campus conduct when such conduct adversely affects the College Community, poses a threat of harm to the College Community; interferes with the College’s pursuit of its objectives and mission, and/or if a student is charged with a violation of state or federal law. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

**Interim Suspension**

The College reserves the right to issue an interim suspension when it reasonably concludes that a student poses a threat to: (a) him/herself or others; (b) College property or equipment; or (c) disrupts or interferes with the normal operations of the College. During an interim suspension, a student is prohibited from entering upon College’s property or participating in any College activities.

**Complaints Alleging Sexual Harassment, Sexual Violence or Discrimination**

Claims of discrimination or sexual harassment, sexual violence or discrimination shall be pursued under the College’s Affirmative Action Policy. For more information, please contact Anita Bowden, the College’s Affirmative Action Officer/Title IX Coordinator, at 508.854.4206 or anitab@qcc.mass.edu.

**CODE OF CONDUCT DISCIPLINARY PROCESS**

The Disciplinary Process is initiated once a complaint is filed against a student by a member of the College community or by the CCO. This policy is not intended to prevent members of the College Community from attempting to resolve matters informally. Failure to cooperate with the College’s investigation of an alleged Code of Conduct violation will result in the student forfeiting his/her rights to a hearing or appeal and/or may result in disciplinary action.
1. **Disciplinary Process**
   
a. All complaints under the Code of Conduct shall be filed with or by the CCO.

b. When the CCO files or receives a complaint alleging that a student has acted in a manner which may be in violation of the Code, the CCO initiates the disciplinary process by meeting with the Accused Student, putting him/her on notice of the alleged violation and providing him/her an opportunity to respond to the allegations. The CCO may conduct a further investigation if necessary.

c. If the CCO determines that a violation exists, three procedural options are available.

   (1) **Verbal or Written Warnings** – For low-level offenses, the CCO may issue a verbal or written warning to the Accused Student. Warnings shall not be subject to a hearing before a Judicial Board or an appeal.

   (2) **Administrative Disposition** – Under an Administrative Disposition, the Accused Student and the CCO mutually agree upon a disciplinary remedy. By accepting the Administrative Disposition, the Accused Student waives his/her right to a hearing before the Judicial Board or an appeal.

   (3) **Judicial Board Hearing** – When an Administrative Disposition cannot be reached, the CCO shall refer the alleged violation to the Judicial Board for a hearing. Please see Section 2 below for Judicial Board rules.

Failure to cooperate with the College’s investigation of an alleged Code of Conduct violation, which includes appearing before a Judicial Board or College official if summoned to do so, will result in the student forfeiting his/her rights to a hearing or appeal and/or may result in disciplinary action.

2. **Judicial Board Hearing**
   
a. A hearing with the Judicial Board shall be scheduled by the CCO not later than thirty (30) days following an Accused Student’s request for a hearing.

b. A written Statement of Charges shall be presented to the Accused Student not less than five (5) days prior to the hearing.

c. A Judicial Board hearing is an administrative hearing. The rules of evidence do not apply.

d. In a matter involving more than one Accused Student, the Judicial Board may permit at its discretion individual hearings for each Accused Student.

e. The Accused Party has the right to be accompanied by any advisor of his/her own choosing.
and at his/her own expense. The advisor may be an attorney. An advisor’s role is limited to advising the Accused Student directly. An advisor is not permitted to participate directly in the hearing.

3. **Conduct of Hearing**

   a. A hearing is normally conducted in private.

   b. There shall be a record created of all hearings. The record shall be the property of the College.

   c. All procedural questions are subject to the final decision of the Judicial Board.

   d. Admission of any person(s) to the hearing shall be at the discretion of the Judicial Board.

   e. A hearing shall proceed as follows:

      • The CCO presents the Statement of Charges on behalf of the College. The CCO may present documents, materials and/or witnesses in support of the Statement of Charges.

      • Accused Student responds to the Statement of Charges. The student may present documents, materials and/or witnesses in response to the Statement of Charges.

   • Following the parties’ presentations, the Judicial Board may question each party, their witnesses and/or review all information presented. The Judicial Board has the discretion to request additional documents, materials or information from either party.

   • While direct cross-examination by the parties is not permitted, each party will be given the opportunity to question the other by presenting questions through the Judicial Board. If the Board determines a question is relevant, the other party will be asked to respond.

   • The Board shall have a final opportunity to question the parties.

   f. After the hearing, the Judicial Board shall determine by majority vote whether the Statement of Charges has been proven.

   g. In reaching its decision, the Judicial Board shall determine whether it is more likely than not that the Accused Student violated the Code of Conduct based on the information presented.

   h. Within fifteen (15) days of the conclusion of a hearing, the Judicial Board shall issue a written decision outlining its findings and disciplinary action, if any, to the parties.
4. **Sanctions**

A student found in violation of the College's Code of Conduct shall be subject to one or more of the following sanctions:

a. Verbal or Written Warning
b. Restrictions/Loss of Privileges
c. Community/Educational Service
d. Restitution
e. Probation
f. Suspension
g. Expulsion

The intent of the College is to impose sanctions in a progressive manner, beginning with the least punitive sanction. However, depending on the nature and severity of a student's violation the College reserves the right to impose any of the above-referenced sanctions at any time.

5. **Appeal**

a. Within five (5) days of receiving the Judicial Board’s decision, either the CCO or the Accused Student may appeal the Judicial Board’s decision to the College's Appeals Officer.

b. An appeal must be in writing and be based on a credible claim that: the hearing was not conducted in conformity with the Code of Conduct; the decision was not supported by a preponderance of the evidence presented; the sanction imposed was not appropriate in light of the Judicial Board’s decision; or new evidence exists, which was not presented at hearing because it was not reasonably known to the Accused Student at that time, and which is sufficiently relevant such that it could alter the Judicial Board’s decision.

c. The Appeals Officer shall issue a written decision within ten (10) days of receiving the appeal. The Appeals Officer may accept, reject or modify the Judicial Board’s decision or sanction.

d. The Appeals Officer’s decision shall be final.

ABSENCES FOR PREGNANCY OR CHILDBIRTH

In accordance with Title IX of the Educational Amendments of 1972, absences due to pregnancy or related conditions, including recovery from childbirth, shall be excused for as long as the student’s doctor deems the absences to be medically necessary. When the student returns to the College she shall be reinstated to the status she held when the leave began, which includes the opportunity to make up any missed work. The College may offer the student alternatives to making up missed work, such as retaking a semester, taking part in on-line instruction, or allowing the student additional time in a program to continue at the same pace and finish at a later date. For more information, please contact the Dean of Students at 508.854.4294.

AFFIRMATIVE ACTION/EQUAL OPPORTUNITY NOTICE

Quinsigamond Community College is an affirmative action/equal opportunity employer and does not discriminate on the basis of race, color, national origin, sex, disability, religion, age, veteran status, genetic information, gender identity or sexual orientation in its programs and activities as required by Title IX of the Educational Amendments of 1972, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VII of the Civil Rights Act of 1964, and other applicable statutes and college policies. The College prohibits sexual harassment, including sexual violence. Inquiries or complaints concerning discrimination, harassment, retaliation or sexual violence shall be referred to the College’s Affirmative Action and/or Title IX Coordinator, the Massachusetts Commission Against Discrimination, the Equal Employment Opportunities Commission or the United States Department of Education’s Office for Civil Rights.

POLICY STATEMENT ON AFFIRMATIVE ACTION, EQUAL OPPORTUNITY AND DIVERSITY

The Board of Higher Education of the Commonwealth of Massachusetts is responsible under Chapter 15A of the General Laws of the Commonwealth of Massachusetts for the overall governance of the public higher education system, which includes the fifteen Community Colleges. The Board of Higher Education and the Boards of Trustees of the Community Colleges maintain and promote a policy of non discrimination on the basis of race, creed, religion, color, gender, gender identity, sexual orientation, age, disability, genetic information, maternity leave, military service and national origin ("protected class(s)/classification(s).” Further, this policy

Non discrimination requires the elimination of all existing unlawful discriminatory conditions, whether purposeful or inadvertent. The Community Colleges are continuing to systematically examine all policies and procedures to be sure that they do not, if implemented as stated, operate to the detriment of any person on the basis of a protected classification. The Colleges shall require that the practices of those responsible in matters of employment and education, including all supervisors and faculty, are non discriminatory. Should the College discover discrimination in treatment or effect in any employment, educational or service decision, action, inaction or practice within the College, all appropriate corrective and/or disciplinary actions shall be taken under the direction of the President of the College subject to any applicable collective bargaining agreement or other policy or procedure of the College.

The Community Colleges are committed to a policy of Affirmative Action, equal opportunity, equal education, non discrimination, and diversity. They are committed to providing a learning, working and living environment for their students, employees and other members of the College Community, which values the diverse backgrounds of all people. The Colleges are committed to assuring that the “College Experience” is one that challenges, empowers, supports, and prepares its students to live in, work in, and value our increasingly global and diverse world. The Colleges believe that the diversity of socio economic, racial, ethnic, religious, gender, sexual orientation, age and disability backgrounds of members of the College Community enriches the institutions and their various constituencies. The Colleges will not tolerate behavior based on bigotry, which has the effect of discriminating unlawfully against any
member of their communities.

The Community Colleges provide equal access to educational, co-curricular and employment opportunities at the Colleges for all applicants, students and employees in compliance with all applicable laws, regulations and policies. All benefits, privileges and opportunities offered by the Colleges are available to all students, employees and other persons having dealings with the institutions on a non-discriminatory basis. The Colleges are committed to taking a proactive Affirmative Action posture with respect to their recruitment, selection and promotion of students and employees.

The purpose of the Affirmative Action component of this Policy is to establish a set of programmatic objectives, which shall provide for the recruitment, access and advancement of qualified persons from within the protected classes/classifications recognized under this Policy with respect to employment and enrollment opportunities. The intent of this Policy is to responsibly recognize, and to whatever extent possible, resolve the effects of past societal discrimination and the impact which that discrimination has had, not only on victims of such discrimination, but on the total academic, educational and social system as well. It is not intended and should not be used to discriminate against any applicant, employee, or student because of a protected classification.

In response to that recognition, the Colleges, through their Boards of Trustees and Presidents, fully endorse the plan of action set forth in this Policy and shall oversee and monitor its implementation through the Affirmative Action Officer and other assigned personnel.

The following specific policies are established:

• Equal opportunity and affirmative action shall apply to all segments of the College; full and part time employment; day and continuing education; the curriculum and offerings of the College.

• Equal opportunity and affirmative action shall be applied to the recruitment process for employment and/or access to education.

• Students will have access to the College, programs of study, activities, and other resources intended to serve them, according to the policies of the individual Colleges.

• Equal employment opportunity and affirmative action will be realized in all personnel employment, including recruitment, application for employment, hiring, benefits, compensation, training, promotion, and termination.

• All policies, procedures, privileges, and conditions of the College will follow and incorporate applicable equal opportunity and affirmative action rules and regulations.

The above stated policies are intended to be applied broadly with the goal of promoting equal opportunity and diversity in Community Colleges. The Community Colleges pledge to apply all policies consistently, fairly, and vigorously. Attempts to subvert or abuse these policies will not be tolerated. Appropriate disciplinary action will be taken in the case of an infraction. Such disciplinary action shall be consistent
with the appropriate collective bargaining agreement, if applicable.

All policies are made in compliance with laws and regulations and executive orders promulgated by the federal and state governments and other appropriate agencies and authorities, where applicable.

**POLICY AGAINST DISCRIMINATION DISCRIMINATORY HARASSMENT AND RETALIATION**

**a. Introduction**

The mission of the Community Colleges is to educate, train and prepare our students to live and work in our increasingly global and diverse workforce. It is our commitment to take all possible steps to provide an inclusive and diverse learning, living, and work environment that values diversity and cultural tolerance and looks with disfavor on intolerance and bigotry. Any condition or force that impedes the fullest utilization of the human and intellectual resources available represents a force of destructive consequences for the development of our Commonwealth and ultimately, our nation.

**b. Definitions**

Discrimination, Discriminatory Harassment, Protected Class(s)/Classification(s) and Retaliation are defined under the “Definitions” section of this Policy.

**c. Prohibited Conduct**

The Policy prohibits all conditions and all actions or omissions, including all acts of discrimination, discriminatory harassment and retaliation, which deny or have the effect of denying to any person their rights to equity and security on the basis of their membership in or association with a member(s) of any protected class. This policy reaffirms the values of civility, appreciation for racial/ethnic/cultural/religious pluralism and pre-eminence of individual human dignity as preconditions to the achievement of an academic community, which recognizes and utilizes the resources of all people.

In order to promote an atmosphere in which diversity is valued and the worth of individuals is recognized, the Colleges will distribute policy statements and conduct educational programs to combat discrimination, discriminatory harassment and retaliation.

The prohibited conduct contained in this Policy shall apply to and be enforced against all members of the College community, including, but not limited to, faculty, librarians, administrators, staff, students, vendors, contractors and all others having dealings with the institution.

**d. Conduct That is Not Prohibited**

The Community Colleges are committed to protecting, maintaining and encouraging both freedom of expression and full academic freedom of inquiry, teaching, service, and research. Nothing in this policy shall be construed to penalize a member of the College community for expressing an opinion, theory, or idea in the process of responsible teaching and learning. Accordingly, any form of speech or conduct that is protected by the principles of academic freedom or
the First Amendment to the United States Constitution is not subject to this policy.

**e. Complaint Procedures**

The Community Colleges have established a specific internal Complaint Procedure to help resolve claims and complaints of discrimination, discriminatory harassment and retaliation on their campuses (see Section L). Any applicant for employment or admission, any student or employee, and any other member of the College community who believes that he or she has been a victim of discrimination, discriminatory harassment or retaliation may initiate complaint as outlined in the Policy’s Complaint Procedures. Further advice or information may be obtained by contacting the Affirmative Action Officer.

**f. Duty to Cooperate**

Every faculty member, librarian, administrator, staff member and College employee has a duty to cooperate fully and unconditionally in an investigation conducted pursuant to this Policy’s Complaint Procedure, subject to the provisions of any relevant collective bargaining agreements.

This duty includes, among other things, speaking with the Affirmative Action Officer, Title IX Coordinator or other authorized personnel or investigator and voluntarily providing all information and documentation which relates to the claim being investigated. The failure and/or refusal of any employee to cooperate in an investigation may result in disciplinary action up to and including termination.

**g. Duty to Report**

No member of the College community who receives a complaint of discrimination, discriminatory harassment or retaliation can ignore it; he or she should give to the person making the complaint as much assistance in bringing it to the attention of the Affirmative Action Officer or Title IX Coordinator as is reasonably appropriate given his or her position at the College and relationship with the person making the complaint. Any trustee, administrator, department chair, program coordinator, manager or supervisor who receives a complaint of discrimination, discriminatory harassment or retaliation from a student or other member of the College community is obligated to report the complaint to the Affirmative Action Officer as soon as he or she becomes aware of it. In the case of claims of sexual harassment or sexual violence, reports shall be made to the Title IX Coordinator. Any investigation of such allegations shall be conducted by the College’s Affirmative Action Officer and/or the Title IX Coordinator.

Similarly, all students, faculty, staff, administrators, and others having dealings with the institution are encouraged to report to the Affirmative Action Officer or the Title IX Coordinator any conduct of which they have direct knowledge and which they in good faith believe constitutes discrimination, discriminatory harassment or retaliation in violation of this Policy.

Any member of the College community who has a question about his or her responsibilities under this policy should contact the Affirmative Action Officer.

**h. False Charges**

Filing a false charge of discrimination, discriminatory harassment or retaliation
is a serious offense. If an investigation reveals that a complainant knowingly filed false charges, the College shall take appropriate actions and issue sanctions pursuant to other applicable College policies, including any applicable collective bargaining agreement. The imposition of such sanctions does not constitute retaliation under this Plan.

POLICY AGAINST SEXUAL HARASSMENT:

a. Introduction

It is the goal of the Community Colleges to promote an educational environment and workplace that is free of sexual harassment. Sexual harassment of students or employees occurring in the classroom or the workplace is unlawful and will not be tolerated by the Community College. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated.

To achieve our goal of providing a workplace free from sexual harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with, if encountered by students or employees.

Because the Community Colleges take allegations of sexual harassment seriously, we will respond promptly to complaints of sexual harassment and where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective measures, including disciplinary action where appropriate and consistent with applicable collective bargaining agreements.

b. Definition of Sexual Harassment

Sexual Harassment is defined under the “Definitions” section of this Policy.

The legal definition of sexual harassment is broad and applies to any individual of either gender who participates in the college community, including a student, faculty member, administrator or any other person having dealings with the college. In addition, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a hostile, offensive, intimidating, or humiliating workplace or academic environment to male or female workers or students may also constitute sexual harassment.

It is important to note that when assessing whether conduct constitutes sexual harassment, a “reasonable person standard” shall be applied. The term “reasonable person” is used to describe an objective standard to determine if harassment has occurred.

Under the standard, in order for conduct and behavior to be considered sexual harassment, a reasonable person under similar circumstance would have to conclude that the behavior was harassing or discriminatory.

All employees and students should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, or retaliation against individuals who have cooperated with an investigation of
sexual harassment is unlawful and will not be tolerated by the Community Colleges.

c. Consensual Relationships

(1) Faculty/Administrator/Staff Member Relationships with Students

A romantic and/or sexual relationship, consensual or otherwise, between a faculty member, administrator or staff member and a student is looked upon with disfavor and is strongly discouraged. No faculty member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who is being taught or advised by the faculty member or whose academic work is being supervised or evaluated, directly or indirectly, by the faculty member. No administrator or staff member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who the administrator or staff member supervises, evaluates, advises, or provides other professional advice or services as part of a College program or activity.

(2) Relationships Between Supervisors, Subordinates or Co-Workers

A consenting romantic and/or sexual relationship between a supervisor and subordinate or co-workers may interfere with or impair the performance of professional duties and responsibilities and/or create an appearance of bias or favoritism. Further, such relationships could implicate state ethics laws and/or result in claims of sexual harassment, discrimination or retaliation. Therefore, such workplace relationships are strongly discouraged.

d. Complaints of Sexual Harassment

If any student or employee believes that he or she has been subjected to sexual harassment, the student or employee has the right to file an Affirmative Action Discrimination Complaint Form (see Appendix A) with the College. For more information or assistance with filing a complaint, please contact the College’s Affirmative Action Officer or Title IX Coordinator. If the Affirmative Action Officer or the Title IX Coordinator is the subject of a complaint, the President shall designate another College official to administer the Complaint Procedures.

All complaints will be investigated in such a way as to maintain confidentiality to the extent practicable under the circumstances. If it is determined that a violation of this Policy has occurred, the College will act promptly to eliminate the harassing conduct, and take disciplinary action where warranted. All disciplinary action taken shall be consistent with any applicable collective bargaining agreement. The Duty to Cooperate, Duty to Report, and the obligation to avoid making False Charges, as discussed previously in this Policy, shall be fully applicable under this section.

e. State and Federal Remedies

In addition to the above, if you believe you have been subjected to sexual harassment, you may file a formal complaint with the governmental agencies set forth below. Filing a complaint under this Policy does not prohibit you from filing a complaint with these agencies.

POLICY AGAINST SEXUAL VIOLENCE:

a. Introduction
Sexual violence is prohibited under state law and the College’s Affirmative Action Policy. Sexual violence is prohibited pursuant to Title IX of the Educational Amendment Act of 1972, which states: No person in the United States, shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal assistance.

All reported or suspected cases of sexual violence shall be reported to the College’s Affirmative Action and/or Title IX Coordinator. Please refer to the Complaint Procedures for specific complaint procedures and guidelines.

The College is obligated to investigate allegations of sexual violence, even if the alleged victim chooses not to participate in the investigation. An employee or student who commits an act of sexual violence shall be subject to disciplinary action, up to and including expulsion or termination from the College, as well as criminal prosecution.

The College prohibits retaliation against any person who presents a formal or informal complaint of sexual violence or who testifies or offers evidence connected with a complaint. Retaliation is a violation of this policy whether or not the underlying claim of sexual violence is confirmed.

b. Reporting Complaints of Sexual Violence
If any student or employee believes that he or she has been the victim of sexual violence, the student or employee has the right to file an Affirmative Action Discrimination Complaint Form with the College. For more information or assistance with filing a complaint, please contact the College’s Title IX Coordinator. If the Title IX Coordinator is the subject of a complaint, the President shall designate another College official to administer the Complaint Procedures.

Additionally, if desired, the Title IX Coordinator and/or Campus Police can
provide assistance in contacting local police. Reporting the incident to the Title IX Coordinator or law enforcement does not commit the victim to filing charges, however, the College is required to investigate such reports. Although every reasonable effort will be made to protect a victim’s privacy, individuals with a need to know may be contacted and information may be shared as necessary to investigate and adjudicate the matter or as public safety requires. A report of the incident will be filed with local police in the event public safety is at risk even if the victim does not intend to report the incident to police or cooperate in an investigation.

**c. Sexual Violence Defined**

Sexual violence is defined as any sexual activity where consent is not obtained or able to be freely given, and shall include the following categories:

- **a. Rape** - Defined in Massachusetts as the oral, anal, or vaginal penetration by an inanimate object, penis, or other bodily part without consent. In Massachusetts, it is illegal to have sex with someone who is incapable of giving consent because they are: (1) intoxicated; (2) unconscious; (3) mentally incompetent; or (4) under 16 years of age.

- **b. Acquaintance Rape** - Rape upon someone by a person he or she knows.

- **c. Any unwanted sexual activity that is forced or coerced by one person on another.**

**d. Protections for Victims of Sexual Violence**

A person who is subjected to sexual violence has the following protections:

- To be informed of their reporting options with regard to notifying local law enforcement authorities and to be assisted in notifying such authorities if they so choose.

- Not to be discouraged by College officials from reporting an incident to both on-campus and off-campus authorities.

- To be free from any suggestion that they somehow contributed to or had a shared responsibility in the violent act.

- To have the full and prompt assistance and cooperation of campus personnel should a civil and criminal complaint be pursued.

- To the same level of support at any proceeding before College officials as is permitted to the accused party, including the presence of a representative during any disciplinary proceeding and the right to be notified in a timely manner of the outcome of such proceedings.

- To full and prompt cooperation from College personnel in obtaining and securing evidence (including medical evidence) necessary for any potential criminal proceedings.

- To have access to existing College counseling and medical professionals, victim support services, and to obtain referrals to off-campus counseling and support services if desired.

- To attend classes, work and participate in College activities free from unwanted contact or proximity with the accused individual(s) insofar as the College is permitted and able.

- To request changes to an academic schedule if such changes are requested by the reporting student and are reasonably available.
e. Recommended Procedures for a Victim of Sexual Violence

For a person subjected to an act of sexual violence, there can be time-sensitive decisions to make about sexually transmitted infections, pregnancy, and collecting physical evidence in the event of prosecution. Individuals who have been victims of sexual violence should be advised as follows:

- Protect Themselves and Get Medical Attention – A victim should be advised to go to a safe place as soon as possible and seek medical attention immediately. Injuries and exposure to disease may not be immediately apparent. A medical examination can provide necessary treatment and collect important evidence. It is recommended that a physical exam be conducted within 72 hours of the violence. Submitting to a physical exam does not mean that a victim is required to press charges. This action merely preserves the option to do so. Designated College personnel can assist in providing transportation to the hospital.

- Preserve Evidence - It is important to preserve all physical evidence following an act of sexual violence. Physical evidence may be necessary in the event criminal prosecution is pursued. If possible, a victim should be advised not to wash, eat, drink, douche, clean, use the bathroom, or change clothes. If clothes are changed, all clothes that were worn at the time of the incident should not be cleaned and should be placed into an unused or a clean paper bag.

- Health and Support Services - Various health and support services are available on and off campus for students and employees who have experienced sexual violence. For information about such services, including counseling, please contact the Affirmative Action and/or Title IX Coordinator.

**g. Mandatory Reporting Under State Law**

Children (a person under the age of 18) may be students at the College, or may be engaged in activities sponsored by the College or by third-parties utilizing College facilities. In such instances, where an employee has reasonable cause to believe that a child is suffering physical or emotional injury, resulting from among other causes, sexual abuse, the employee and the College may be obligated to comply with the mandatory reporting requirements established at M.G.L. Chapter 119, Section 51A-E. In such cases, the employee is directed to immediately report the matter to the College’s Affirmative Action and/or Title IX Coordinator, who, in consultation with other officials, shall contact the Commonwealth’s Department of Children and Families and/or law enforcement. An employee may also contact local law enforcement authorities or the Department of Children and Families directly in cases of suspected abuse or neglect.

State law also maintains mandatory reporting requirements for certain occupations where elderly and disabled abuse or neglect is suspected. For more information on these reporting requirements please contact the College’s Affirmative Action Officer.
ALCOHOL AND OTHER DRUGS

Alcohol Consumption

Quinsigamond Community College prohibits the unlawful possession, use or distribution of illicit drugs and or alcohol on its property or as part of any campus activity. Students under the influence of drugs or alcohol, or having them in their possession, will be sanctioned under the College Code of Conduct.

Federal, state and local sanctions for unlawful possession or distribution of illicit drugs range from probation and forfeiture of property to fines and imprisonment. For example, the sanctions against an individual for distribution of, or possession with intent to distribute, controlled substances include imprisonment for several years up to a maximum of life imprisonment, with fines up to $4 million. Sanctions can increase for repeat offenders or for offenses resulting in death or serious bodily harm, and can be doubled for each of the following occurrences: distribution to persons under 18 years of age, distribution within 1,000 feet of a school, including the College Campus School, or employing someone under 18 in the distribution. Attempt or conspiracy to commit a crime can be treated as severely as the intended offense.

Many of the state and federal statutes that prohibit the illegal distribution of controlled substances provide for minimum mandatory prison sentences. Conviction for violation of any state or federal drug law can lead to ineligibility for any federal benefit, including grants and loans. Thus a student can make themselves ineligible for student loans through drug conviction.

Massachusetts makes it illegal to be in a place where heroin is kept and to be “in the company” of a person known to possess heroin. Any person in the presence of heroin, risks conviction of a serious drug offense. Sale and possession of “drug paraphernalia” is illegal in Massachusetts.

Alcohol’s effect on you:

Alcohol goes directly into the bloodstream, physically affecting the whole body. Some illnesses and health problems caused by alcohol include:

- **Hangovers.** Headaches, nausea, vomiting, aches and pains all result from drinking too much. Drinking to the point of drunkenness makes you sick.

- **Weight gain.** Alcohol is not water. A beer has about 150 "empty" calories that provide few if any nutrients.

- **High blood pressure.** Along with being overweight, high blood pressure is associated with many serious health problems.

- **Depressed immune system.** Impaired immunity makes you more likely to contract viral illnesses such as flu and infections.

- **Cancer.** 2-4% of all cancer cases are related to alcohol. Upper digestive tract cancers are the most common, hitting the esophagus, mouth, larynx, and pharynx. Women who drink prior to menopause are more likely to develop breast cancer. Your risk of skin cancer doubles if you drink slightly more

than "moderate levels." Some studies implicate alcohol in colon, stomach, pancreas and lung cancer. And let's not forget the liver...

- **Liver disease.** Heavy drinking can cause fatty liver, hepatitis, cirrhosis and cancer of the liver. The liver breaks down alcohol at the rate of only one drink per hour.

- **Alcohol poisoning.** Drinking large amounts can result in alcohol poisoning, which causes unconsciousness and even death. Breathing slows, and the skin becomes cold and may look blue. Don't let a person in this condition "sleep it off." Call 911.

- **Heart or respiratory failure.** Excessive drinking can have serious results. Heart or respiratory failure often means death.

Other long-term effects of heavy alcohol use include loss of appetite, vitamin deficiencies, stomach ailments, sexual impotence, central nervous system damage, and memory loss. Finally, let's not forget **alcoholism.** Alcoholism is a disease to which some people seem predisposed. Alcoholics are unable to control their drinking--how much, when, and if. Alcoholism puts you at great risk for other health problems, and it can shorten your life by more than 10 years. Alcoholism cannot be cured, but it can be treated. Through education, treatment, and self-help support such as AA, people can learn to live alcohol-free and feel good.

**Possession, Use, Manufacture, or Distribution of Drugs**

(Consistent with the Code of Conduct) Quinsigamond Community College complies with all state and federal laws with regard to the possession, use, manufacture, and/or distribution of unlawful substances. All such activities are strictly prohibited on all College property, in College vehicles, and at all off-campus College-sponsored events.

**How Drugs affect you:**

Like many prescription drugs, "recreational" drugs come with potentially harmful side effects that can have serious and long-term effects on your health.

High doses of many of the drugs, or impure or more dangerous substitutes for these drugs, can cause immediate life-threatening health problems such as heart attack, respiratory failure, and coma. Combining drugs with each other or with alcohol is especially dangerous.

- Barbiturates and tranquilizers are commonly abused prescription drugs. They can cause hangover-like symptoms, nausea, seizures, and coma. Overdose or mixing these drugs with alcohol can be fatal.

- Cocaine can cause such long-term problems as tremors, seizures, psychosis, and heart or respiratory failure.

- LSD can cause nausea, rapid heart rate, depression, and disorientation. Long-term effects include paranoia and psychosis.
• Marijuana and hashish can cause rapid heart rate and memory impairment soon after use. Long-term effects include cognitive problems, infertility, weakened immune system, and possible lung damage.
• Narcotics such as heroin can bring on respiratory and circulatory depression, dizziness, impotence, constipation, and withdrawal sickness. Overdoses can lead to seizures and death.
• PCP, in addition to triggering unpredictable and violent behavior, can cause dizziness, numbness, high heart rate and blood pressure, convulsions, and in high amounts fatal heart and lung failure or ruptured blood vessels.
• Stimulants such as amphetamines have health effects that include high heart rate and blood pressure, headache, blurred vision, dizziness, impotence, skin disorders, tremors, seizures, and psychosis.

Information, Training, and Assistance
The College annually sponsors a variety of alcohol and drug education programs for students. The Office of Health and Wellness and the Counseling Office maintain a comprehensive list of support services in the community.

Notification to Families for Campus Alcohol Policy Violations
Consistent with the Family Educational Rights and Privacy Act/Buckley Amendment, the campus may notify the parents or legal guardians of students under twenty-one years of age each time they have been determined to be in violation of the campus alcohol policy.

CHILDREN ON CAMPUS POLICY
While Quinsigamond Community College is an open and welcoming campus, it is primarily an educational institution. As a general rule, children will not be permitted in the classroom, or in any other areas of the College where their presence may interfere with the learning or work environment. Students, visitors and staff need to be aware to the following parameters that the College has established concerning children on campus:
• A parent, legal guardian, or a responsible adult must supervise children at all times on the QCC campus.
• Children may be allowed in the classroom only with prior approval of the faculty member and not on a reoccurring basis.
• Prior written approval must be obtained from the appropriate facility manager before a child can utilize campus facilities such as the Fuller Student Center or the Athletic Complex. The parent, legal guardian, or a responsible adult must be present at all time.
• The staff in the Campus Children’s School supervise only children who are enrolled in the Campus Child Care program.
• Quinsigamond Community College employees cannot be responsible for the care and supervision of children.

ELECTRONIC COMMUNICATIONS

The college uses Qmail as an official means of communication with students. All students are expected to read their college email regularly and respond appropriately. If students choose to forward their Qmail to another email provider, they are still responsible for receiving all college communications. The college also has an Emergency Alert text messaging system. Students can choose to sign up for this service through The Q, the college’s student and faculty portal.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT DEFINITIONS

Quinsigamond Community College abides by the Federal Family Educational Rights and Privacy Act of 1974, Chapter 766 of the General Laws of Massachusetts. No student’s academic or personal records will be released without the student’s written consent, except to those specifically exempted in the legislation.

Quinsigamond Community College reserves the right to disclose “directory information” in accordance with regulations published by the Department of Health, Education and Welfare for enforcing the Family Rights and Privacy act of 1974. For the purpose of this institution, “directory information” includes the following information: a student’s name, student’s address, major field of study, dates of attendance, full-time/part-time status, degree and awards received, and participation if officially recognized activities and sports.

For the purpose of this Policy, Quinsigamond Community College uses the following definitions of terms:

• **Student** – Any person who attends, or has attended, Quinsigamond Community College.

• **Education Records** – Any record (in handwriting, print, tapes, film, or other medium) maintained by Quinsigamond Community College, or by a party acting for the College which is directly related to a student, except:

  1. A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed, or made available to any other person, except the maker’s temporary substitute.

  2. An employment record of an individual whose employment is not contingent on the fact that she, or he, is a student, provided the record is used only in relation to the individual’s employment.

  3. Records maintained by Quinsigamond Community College Public Safety Department, if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and the Department does not have access to
education records maintained by the College.

4. Records maintained by the Health Office, if the records are used only for treatment of a student and made available only to those persons providing the treatment.

5. Alumni records which contain information about a student after he or she is no longer in attendance at the College.

The Family Educational rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the College official to whom the request was submitted does not maintain the

records, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request an amendment of student’s education records that the student believes are inaccurate or misleading or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the College to amend should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College discloses education records without consent to officials of another school in which a students seeks or intends to enroll.

4. The right to be notified annually by the College of what student record information the College designates as “directory information,” and the right to request that no student information be designated as directory information.

The College identifies the following student information as directory information: a student’s name, student’s address, major field of study, dates of attendance, full-time/part-time status, degree and awards received, and participation if officially recognized activities and sports.

Directory information may be released by the College to a requesting third-party without a student’s prior written consent. A student has the right to request that none or only some of his/her student record information be designated as directory information. A student must notify the College’s Registrar, in writing, within two (2) weeks of the beginning of each academic semester if he/she does not wish to have any or some of his/her
student information designated as directory information.

Notwithstanding the College's definition of directory information, the Department of Defense (the “DOD”), pursuant to the Omnibus Consolidated Appropriations Act of 1997 (the "Solomon Amendment"), identifies the following information as “student recruiting information”: NAME, ADDRESS, TELEPHONE LISTING, AGE (or year of birth), PLACE OF BIRTH, LEVEL OF EDUCATION (e.g., freshman, sophomore), DEGREE AWARDED, MOST RECENT EDUCATIONAL INSTITUTION ATTENDED, and CURRENT MAJOR(S).

If the College receives a request for student recruiting information from the DOD, or one of its affiliated agencies, the College will release the student recruiting information requested. Because the information sought by the DOD may include information not designated as directory information under the College’s policy, compliance with the DOD’s request may result in the release of personally identifiable information. When student recruiting information is released pursuant to a DOD request, notice of the request and the release of the information will be posted in a conspicuous location in the College’s Registrar’s Office for a period equaling one academic year.

If a student has exercised his/her right to request that no information be designated as directory information, then no information shall be released to any third party, including the DOD.

(5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.Washington,
DC 20202-5901.

RECORD OF REQUESTS FOR DISCLOSURE

Quinsigamond Community College will maintain a record of all requests for information from a student’s education records, except when the disclosure was made to:

1. The eligible student.
2. A school official who has been determined to have legitimate educational interest.
3. A party with written consent from the eligible student.
4. A party seeking Directory Information only.

The record will indicate the name of the party making the request, any additional party to whom it may be disclosed and
the legitimate interest the party had in requesting or obtaining the information. The record may be reviewed by the parents or eligible student.

PLAGIARISM

Our purpose in the classroom is to seek the truth; this work requires trust and honesty between teacher and student. If we are not honest about what we know and don’t know, our learning will always be impaired. Because our teaching and learning depends on this honest communication, we expect all students to understand what plagiarism is and why it is unacceptable.

Plagiarism means taking someone else’s ideas or words and presenting them as one’s own. The offense can take many forms including cheating on a test, passing in a paper taken from the Internet or from another student, or failing to properly use and credit sources in an essay. Sometimes the issue is subtle, involving getting too much help on an assignment from someone else. In every instance, plagiarism means cheating both oneself and the owner of the source. Since the cheating sabotages a student’s learning experience, consequences range from no credit for the assignment to failure for the course and possible expulsion from the college.

See Plagiarism section in Code of Conduct

PLURALISM

The Community Colleges have historically been a major contributing element to the emergence of our nation as one of the most technologically and economically advanced societies of the world. The important role that the Community Colleges can play is profoundly dependent upon the extent to which they may draw from the full collective of intellectual resources within each College’s community of scholars, students, and administrators. Any condition or force that impedes the fullest utilization of the human and intellectual resources available represents a force of destructive consequence for the development of our Commonwealth and, ultimately, our nation.

Community college students, faculty, staff and visitors must be free from conduct that has the purpose or effect of interfering with an individual’s academic or professional performance and creating and intimidating, hostile or demeaning educational or employment environment. Therefore, the Community Colleges establish a policy of unequivocal condemnation of all forms of ethnic, religious, cultural, or racial intolerance within the fifteen college communities.

This policy condemns all conditions and all actions or omissions, including all acts of verbal harassment or abuse, which deny or have the effect of denying to an individual his/her rights guaranteed under the law. The policy reaffirms the doctrine of civility, appreciation for pluralism and the pre-eminence of the individual human dignity as preconditions to the achievement of an academic community that recognizes and utilizes the resources of all persons while recognizing and reaffirming the tenets of academic freedom. The Community Colleges recognize their obligation to protect the rights of free inquiry and expression, and nothing herein shall be construed or applied
so as to abridge the exercise of rights under the Constitution of the United States and other federal and state laws.

The Community Colleges will vigorously strive to achieve diversity sufficiently reflective of our society. However, diversity alone will not suffice. There must be a unity and cohesion in the diversity which we seek to achieve, thereby creating an environment of pluralism.

The Community Colleges bear a responsibility by edict and an obligation by social morality to promote understanding and acceptance of ethnic, cultural, religious and racial diversity as we strive to create an atmosphere of dignity for all individuals and groups within our system of higher education. The President or his/her designee will take reasonable measures to prevent and discourage harassment and will act positively to investigate alleged harassment and to effect a remedy or resolution when an allegation is determined to be valid.

**SMOKING**

Quinsigamond Community College recognizes the medical evidence that indicates that smoking is a serious health hazard, and that this health hazard extends to non-smokers subject to second-hand smoke. The College recognizes its responsibility in providing a healthful working and learning environment. As a result, this policy was developed to establish rules and regulations concerning smoking on the QCC campuses.

This policy pertains to all staff, students, and visitors on QCC campuses, in QCC facilities and in vehicles owned, operated and controlled by QCC.

**Definitions:**

“Smoking” or “smoke”: Possessing a lighted tobacco product or the lighting of a cigar, cigarette, pipe or other tobacco product.

**Policy:**

- Smoking is prohibited within the confines of college grounds, any college building, or college vehicles (smoking is only to be permitted in private vehicles on campus).
- The sale of tobacco products on campus is prohibited.

**Sanctions:**

As with all college policies, successful implementation of this policy requires college-wide cooperation, and all members of the college community are asked to assist. Violations of the smoke-free campus policy should be reported to the violator’s division dean or to the administrative supervisor in charge of the area where the violation occurred. Repeat violators will be subject to disciplinary action, which may include participation in a smoking cessation workshop, completion of community service, payment of fines, or subjection to the appropriate student or employee progressive discipline process. The full written version of the policy that was affirmed by the QCC community and Board of Trustees may be found at: www.QCC.edu/files/president/policies/smoke-free_campus_policy.pdf
SOLICITATION POLICY

The College President shall ensure that the following policy guidelines are implemented and administered on her respective campus in a fair, impartial, and uniform manner and without discrimination on grounds of race, color, religion, national origin, age or sex.

In an effort to ensure non-interference with the educational activities and business operations of the College, the College President or his/her designee shall prohibit all private profit and nonprofit organizations, agencies and/or otherwise permitted as follows:

1. The College President or his/her designee may permit federal, state and municipal agency representatives to have access to the campus for any purpose for which said agency representatives are legally authorized to do so; provided, however, the College President or his/her designee retains the authority to regulate the time, place and manner of such access to minimize any interference with the educational activities and business operations of the College.

2. The College President or his/her designee may, upon request, waive the general prohibition against soliciting as stated above upon determination that (a) the purposes of the campus solicitations shall be for the general interest or benefit of the College, students, faculty, or staff; and (b) the proposed solicitation shall not disrupt the continuity of business operations and/or educational activities of the College.

3. The College President or his/her designee shall maintain a record of all on-campus solicitation requests and the disposition of such request.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

The U.S. Department of Education requires each college to have a policy that ensures all students receiving financial aid maintain satisfactory progress toward completing their program of study. Your academic record will be reviewed at least annually, prior to receiving financial aid, to make sure you have complied with the standards outlined below.

IMPORTANT DEFINITIONS

Attempted Credits: All credits in which you were registered at the end of the add/drop period. This includes courses with grades of F, W, X, I, IR, WA. (AU classes are not considered attempted or earned and are not eligible for Financial Aid.) In addition, all earned credits that appear on the transcript outside of QCC courses are considered attempted (i.e., transfer credits).

Earned Credits: Courses that have been successfully completed.

CRITERIA

Three criteria will be monitored at the end of the spring semester each academic year (Exception: Certificate students enrolled full-time and students on
financial aid probation will be monitored at the end of each semester).

I. Minimum Cumulative GPA
   • 1-15 total attempted credits: 1.50 cumulative GPA
   • Over 15 total attempted credits: 2.00 cumulative GPA

II. Minimum Earned Credits
   • 1-15 total attempted credits: earn 50% of attempted credits.
   • Over 15 total attempted credits: earn 66.67% of attempted credits.

III. Maximum Time Frame
You must be able to complete your certificate or degree program by attempting no more than 150% of the total credits required for completion of that program. All coursework applicable to the major will be counted toward maximum time frame. Additionally, up to 30 credits of developmental courses (courses numbered below 100) and all English as a Second Language (ESL) coursework is excluded from this calculation.

SATISFACTORY ACADEMIC PROGRESS STATUSES

Good: You have met all standards as described above.

Suspension: If you do not meet all of the standards described above, you will be placed on Suspension. Any student who reaches their maximum time frame will be placed on Suspension. While on Suspension you are not eligible for any form of financial aid. Furthermore, if you are dismissed from the College you will be automatically placed on Suspension.

Probation: If you submit a completed appeal and it is approved, you will be placed on Probation for one semester during which time you may still be considered for financial aid. Standards will be reviewed again at the end of each Probationary semester. If standards are met, you will return to Good standing. If you meet the terms of your probation, but still do not meet the overall standards, you may be continued on probation for additional semester(s) according to the academic plan outlined in your appeal approval. If neither the SAP standards or the terms of your probation are not met, you will be placed back on Suspension.

APPEAL PROCESS: If you have been placed on Suspension, you may appeal this decision, in writing, if you have extenuating circumstances that prevented you from meeting the Satisfactory Academic Progress Policy. To do this, complete the following steps:

1. Complete the suspension appeal form or submit a letter to the Financial Aid Office explaining your circumstances. Your appeal should state why you were unable to meet the standards and what has changed to assure your success in the future.

2. Provide supporting documentation such as doctor's note explaining medical issues.

3. You will be notified by the Financial Aid Office if you need to develop an Academic Plan with an academic
advisor after an appeal has been submitted.

**REGAINING ELIGIBILITY FOR FINANCIAL AID WITHOUT AN APPEAL**

After successfully completing at least one semester, without the benefit of financial aid, you may be reconsidered for funding. You must meet all of the standards described above and notify the Financial Aid Office that you would like to have your eligibility for funds re-evaluated. (This process does not apply to maximum time frame suspensions.)

**EXAMPLES**

1. During the fall semester you were registered for 12 credits at the end of the add/drop period. During the spring semester you were registered for 9 credits at the end of the add/drop period. Your total attempted credits for the academic year is 21. After the add/drop period, you withdrew from one course in the fall semester, but successfully completed the remaining 9 credits. In the spring semester, you completed all 9 credits with grades of “D” or better. Your total earned credits is 18. If you have attempted more than 15 credits, you must complete at least 66.67%. You completed 18 of 21 credits, which is 85%, so you are meeting the standards. If you have attempted no more than 15 credits, you must complete 50% of the credits attempted, so in this example if you earn at least 11 credits you will meet the standards. You are considered in Good standing for financial aid.

2. You are in an associate degree program that requires a total of 62 credits. You have a total of 93 credits attempted at the end of the academic year. You have reached your maximum time frame (62 credits × 150% = 93 credits) and are no longer eligible for financial aid funding. You will be placed on Financial Aid Suspension.

3. You are enrolled at QCC for the first time and registered for 6 credits at the end of add/drop period fall semester and 7 credits at the end of add/drop period during the spring semester. Your total attempted credits for the academic year are 13. After the add/drop period, you withdrew from one course in the fall semester, but earn an ‘A’ grade in your other course (the remaining 3 credits). You also withdrew from your 4 credit course in the spring semester, but got an ‘A’ grade in the other 3 credit course. Your cumulative GPA is 4.0, however, you total earned credits for the year is 6, which is only a 46% completion rate (6/13). Because you have attempted less than 15 credits the requirement is a 50% completion rate. Since you only completed 46% of your attempted credits you would be suspended.

Revised 2014.

**STUDENT GRIEVANCE POLICY**

**Policy Goal: Conflict Resolution**

Before invoking the Student Grievance Procedure, a reasonable effort shall be made by those involved in a dispute to resolve it amicably. A dispute is most
effectively handled and resolved by those closest to the problem, having the best understanding of the issues, and having the ability to formulate a mutually acceptable resolution. Therefore, it is in the best interest of the student, the potential subject of a Grievance, and the College to resolve disputes through open and cooperative dialogue. Only when such efforts are unsuccessful should the Student Grievance Procedure be invoked. Throughout all phases of the Student Grievance Procedure, all reasonable efforts shall be made to maintain confidentiality in accordance with applicable law.

**I. DEFINITIONS**

1. **Complaint:** the informal, unwritten stage of an allegation of mistreatment.

2. **Day:** as used in this policy, shall mean a calendar day.

3. **Grievance:** a written grievance filed by a student with the person designated by the President as the Student Grievance Officer specifically alleging an abridgment of his or her rights as a student.

4. **Grievant:** the student filing the Grievance. The Grievant must have been a registered student of the College at the time of the alleged mistreatment.

5. **Instructional Period:** the academic semester, summer session or intersession when a grievable act or omission occurs. The Instructional Period shall end on the last day of final exams.

6. **Responding Party:** the person against whom a complaint or Grievance is directed.

7. **Senior Officer:** senior level employee who reports to the President for the Responding Party's work area.

8. **Student Grievance Officer:** a College employee assigned responsibility for administering the Student Grievance Procedure, including the maintenance of specified records. The Student Grievance Officer shall ordinarily be the Senior Student Affairs Officer. If this individual is the person against whom the Grievance is filed, the President shall designate another College official to act as the Student Grievance Officer.

9. **Substantial Evidence of Error or Injustice:** for purpose of Grade Appeals, substantial evidence of error or injustice is defined as:
   a. The assignment of a course grade to a student on some basis other than performance in the course; or
   b. The assignment of a course grade to a student by resorting to unreasonable standards different from those which were applied by the same instructor to other students in that course; or
   c. The assignment of a course grade by a substantial, unreasonable and unannounced departure from the instructor’s previously articulated standards.

10. **Time:** the number of days indicated at each level shall be
considered as a maximum. All reasonable efforts shall be made to expedite the process, but the President or his/her designee may extend the time limits in extenuating circumstances with notice to both parties in writing, or by mutual written agreement between the Grievant and the Responding Party.

Utilizing The Student Grievance Procedure

The Student Grievance Procedure may be used by a student to address alleged abridgment of the student's rights, as stated in the College's Student Handbook and/or Policy Guide. The student Grievant or the Responding Party may consult with the Student Grievance Officer at any time. The College's Student Grievance Officer is the Vice President of Enrollment and Student Services or designee.

The Student Grievance Procedure may not be used to address allegations of discrimination, including sexual harassment. When a student believes that he/she has been discriminated against due to his/her race, creed, religion, color, sex, sexual orientation, gender identity, age, disability, veteran status, genetic information or national origin, the College's Affirmative Action Grievance Procedure is a mechanism for resolution. The College's Affirmative Action Grievance Procedure is contained in the College's Affirmative Action Plan. The College’s Affirmative Action Officer is located in the Human Resources office.

If a Grievance involves a grade dispute, a student shall process the Grievance in accordance with the Student Grievance Procedure. However, if a grade dispute raises issues of discrimination or sexual harassment, the Grievance should be processed in accordance with the College's Affirmative Action Grievance Procedure and the Affirmative Action Officer shall conduct the process in collaboration with the Senior Academic Officer or designee.

Claims of physical or sexual assault shall not proceed under the Student Grievance Procedure. A claim of physical assault alleged against a student shall be reported to the Code of Conduct Officer. A claim of physical assault alleged against an employee shall be reported to the Human Resources Office. In both cases, law enforcement authorities shall also be notified. A claim of sexual assault shall be reported to the College’s Affirmative Action Officer and/or Title IX Coordinator and law enforcement authorities and shall proceed under the College’s Affirmative Action Plan. In matters involving physical or sexual assault, alleged victims are strongly encouraged to independently report the incident to the law enforcement authorities. The College’s Campus Police/Security Department can assist with the reporting process.

At any Level of the Student Grievance Procedure, either party may request mediation by contacting the Student Grievance Officer. Mediation shall be mutually agreed upon, and not unreasonably refused by either party. The Student Grievance Officer shall
select an impartial mediator who shall be mutually agreed upon and not unreasonably refused by either party, make the arrangements, determine the timetable for the mediation process, and inform the parties of the timetable in writing. Where practicable, a mediation session shall be conducted no later than thirty (30) days after requested and agreed to by the parties. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. If a mediated resolution cannot be achieved, the Grievant may proceed with the Grievance Process. The Grievant has the right to be accompanied by any advisor of his/her own choosing and at his/her own expense throughout the grievance process. The advisor may be an attorney. An advisor’s role is limited to personally advising the Grievant only. An advisor is not permitted to participate directly in any aspect of the grievance process.

Except for under extenuating circumstances, as determined by the President or his/her designee, failure by a party to comply with the Student Grievance Procedure during the course of a Grievance may result in the waiving of the noncompliant party’s rights under the Procedure.

**GRADE APPEALS**

Complaints or Grievances filed in connection with assigned grades represent a special case within the Grievance procedure. Grading reflects careful and deliberate assessment of a student’s performance by the instructing professional(s). As such decisions are necessarily judgmental the substance of those decisions may not be delegated to the Grievance process. Nevertheless, the College recognizes that in rare cases the process of grading may be subject to error or injustice.

Except as otherwise provided by a separate appeal procedure for a clinical program as approved by the President of the College, a student who alleges an error or injustice in the grading process may file a Grievance under the Student Grievance Procedure. A grade appeal Grievance shall proceed no further than Level Two, Step Two. For purposes of a grade appeal, the Senior Academic Officer of the College, or his/her designee, shall serve as the Student Grievance Officer throughout the grade appeal process.

If the faculty member who assigned the challenged grade is no longer employed by the College or is not available within the timelines specified (see "Time" definition), the student may initiate his/her Level One complaint with the chief administrator of the appropriate instructional division (who shall be identified by the Senior Academic Officer).

If at any level substantial evidence of error or injustice is produced, the grading process may be remanded to the instructor of record for reassessment. If after reassessment, the dispute remains unresolved, the matter shall be referred to the Senior Academic Officer, or his/her designee, for final review. If the instructor of record is no longer available, the Senior Academic Officer or his/her designee shall instead reassess the grading process.
LEVEL ONE: INFORMAL PROCEDURE

This is the informal stage where most complaints are resolved. The Grievant and the Responding Party should consult with the Student Grievance Officer at this time.

A Grievant initiates the informal phase of the Grievance process. The Grievant shall first present his/her complaint orally and informally to the Responding Party. This shall be done in a reasonable period of time, not exceeding thirty (30) calendar days following the instructional period when a grievable act or omission occurs.

The Responding Party must respond to the Grievant's complaint within ten (10) days. Though this phase of the process is informal, the parties may present their positions in writing. If the matter is not resolved informally within ten (10) calendar days from the date a response to the complaint was due, the Grievant may proceed to Level Two.

LEVEL TWO: FORMAL PROCEDURE

Prior to filing a written Grievance at Level Two, a Grievant must consult with the Student Grievance Officer. The Responding Party should also consult with the Student Grievance Officer at this phase of the process.

L2 – STEP ONE

The Student Grievance Officer shall notify the parties in writing when a complaint is not resolved informally at Level One.

The Grievant may, within ten (10) calendar days after receipt of the Student Grievance Officer's written notice, file with the Student Grievance Officer a Grievance. The Grievance shall contain the following information: the name and title of the person(s) against whom the Grievance is directed, a statement of all known facts, documents and materials supporting the grievance, a list of individuals who have information pertinent to the grievance, and the relief sought by the Grievant. All supporting documents, if any, shall be attached to the grievance as part of the Grievance. The Grievance shall also state the date it is filed and that it is being filed at "Level Two, Step One."

The Grievance may be filed with the Student Grievance Officer by email, regular mail, certified mail, or in hand. Thereafter, the Student Grievance Officer shall deliver the Grievance, and all supporting documents, if any, to the Responding Party within five (5) calendar days. If the Responding Party is unavailable at the time the Grievance is filed, the Student Grievance Officer shall use reasonable means to deliver the Grievance within a reasonable period of time.

The Responding Party shall forward a written Level Two - Step One response to the Student Grievance Officer within ten (10) calendar days of his/her receipt of the Grievance. The Student Grievance Officer shall deliver the written response to the Grievant within five (5) calendar days of receipt.
L2 – STEP TWO
(SUPERVISOR LEVEL)

If the Grievance is not resolved to the satisfaction of the Grievant within ten (10) calendar days after his/her receipt of the Step One response, or if no written response is submitted, the Grievant may within ten (10) calendar days after the written response was received or due, request the Student Grievance Officer to forward the Grievance and response, if any, to the supervisor of the Responding Party, with a copy to the Senior Officer of the work area of the Responding Party.

The supervisor shall investigate the Grievance and confer with the Senior Officer. The supervisor shall forward his/her written decision to the Student Grievance Officer, within ten (10) calendar days after receipt of the Step Two Grievance. Thereafter, the Student Grievance Officer shall deliver the decision to the Grievant and the Responding Party within five (5) calendar days.

At any time before the issuance of the Supervisor's Step Two decision, the Senior Officer may request that the parties meet to discuss the issue and attempt to resolve it.

Grade appeals do not go beyond this Step (Level Two - Step Two) per the section on Grade Appeals.

No new issues or allegations may be raised by either party after Step Two.

L2 – STEP THREE
(STUDENT GRIEVANCE COMMITTEE LEVEL)

If the Grievance is not resolved to the satisfaction of the Grievant within the period allowed at Level Two - Step Two, the Grievant may request a hearing before a Student Grievance Committee. Such a request must be in writing and presented to the Student Grievance Officer within ten (10) calendar days from the issuance of the Supervisor's Level Two - Step Two decision.

Within ten (10) calendar days of the Student Grievance Officer’s receipt of the Grievant's request for a hearing, the Student Grievance Officer shall arrange a hearing before a Student Grievance Committee. The Student Grievance Officer shall use reasonable efforts to schedule the hearing at a time mutually convenient to the parties. At least twenty-four (24) hours prior to the hearing, the Student Grievance Officer shall provide each member of the Committee and all parties to the Grievance with copies of the Grievance, responses to the Grievance, decisions issued, and all relevant supporting documentation and materials. The Committee’s make-up and hearing rules are discussed later in this policy.

The Committee shall deliver its findings and recommendations to the Student Grievance Officer within ten (10) calendar days following the hearing. A copy of the Committee’s findings and recommendations shall be delivered to the President or his/her designee, within five (5) calendar days of receipt.

Within ten (10) calendar days of the President’s receipt of the Committee’s
findings and recommendations, the President or his/her designee, shall issue a written statement accepting, modifying or rejecting the Committee’s recommendations.

The decision of the President, or his/her designee, shall be final and binding on all parties.

**Grade Appeals**

Complaints or Grievances filed in connection with assigned grades represent a special case within the Grievance procedure. Grading reflects careful and deliberate assessment of a student's performance by the instructing professional(s). As such decisions are necessarily judgmental, the substance of those decisions may not be delegated to the Grievance process. Nevertheless, the College recognizes that in rare cases the process of grading may be subject to error or injustice.

Except as otherwise provided by separate appeals procedures for clinical programs as approved by the President of the College, a student who alleges an error or injustice in the grading process may file a Grievance under the Student Grievance Procedure. A Grade Appeal Grievance shall proceed no further than Level Two, Step Two. For purposes of a Grade Appeal, the Chief Academic Officer of the College, or his/her designee, shall serve as the Student Grievance Officer throughout the Grade Appeal process.

If the faculty member who assigned the challenged grade is no longer employed by the College or is not available within the timelines specified (see “Time” definition), the student may initiate his/her Level One complaint with the Chief Administrator of the appropriate instructional division (who shall be identified by the Chief Academic Officer).

If at any level substantial evidence of error is produced, the grading process may be remanded to the instructor of record for reassessment. If the instructor of record is no longer available, the Chief Administrator of the appropriate instructional division or his/her designee shall instead reassess the grading process.

**Membership of the College Student Grievance Committee**

The composition of the College’s Student Grievance Committee shall consist of five members: one student, one unit professional, one faculty member, one non-unit professional and one unit classified employee. The President or his/her designee shall appoint each member from among the recommendations submitted by the Student Grievance Officer.

Service on the Committee shall be voluntary, provided that a member who has a personal interest in a particular Grievance shall be ineligible to serve on the Grievance Committee. All College employees serving on the Student Grievance Committee, and acting within the scope of their official duties on the Committee, shall be protected from liability to the full extent provided under Massachusetts General Laws, Chapter 258, and eligible for indemnification as provided for pursuant to M.G.L. Chapter 258, Section 9.
All Student Grievance Committee members, as well as all others in attendance at a student Grievance proceeding, shall maintain the confidentiality of the proceedings. The Student Grievance Officer shall attend all Committee hearings but shall not vote.

**Student Grievance Committee Hearing & Decision Guidelines**

The following guidelines provide the framework for conducting a Student Grievance Committee Hearing:

1. Prior to the hearing, the newly impaneled Committee shall meet to elect a Committee Chairperson. The Chairperson shall be selected by a simple majority vote.

2. The Chairperson on the Committee shall be responsible for conducting the hearing and drafting the decision of the Committee, but shall vote only in the event of a tie.

3. All hearings shall be closed and deliberations of the Committee shall be confidential and conducted in private.

4. The Grievant and the Responding Party shall be in attendance at the hearing. Each party may be accompanied by an advisor at the hearing. The advisor, however, may not participate in the hearing or question witnesses. Either party may at anytime during a hearing consult in private with his/her advisor.

5. Witnesses may be asked by the Committee to remain outside of the hearing room until they are called to testify.

6. The Grievant will address the Committee first. The Grievant will state the nature of his/her Grievance and may present relevant evidence and/or witnesses in support of the Grievance.

7. The Responding Party may respond to the Grievant's allegations and present relevant evidence and/or witnesses in opposition to the Grievance.

8. Once the parties have presented their respective positions, the Committee may question the parties and/or witnesses.

9. After the Committee has questioned the parties, each party will be given the opportunity to question the other party and their respective witnesses. All questions must be directed through the Committee. If the Committee determines that a question is relevant to the Grievance, the party or witness to whom it is addressed will be asked to respond.

10. Following the parties' questioning of each other, the Committee will have another opportunity to question the parties and witnesses.

11. Hearings before the Committee shall not be subject to the formal rules of evidence. In all cases, the hearing shall be conducted in a fair and impartial manner.

12. If a party to a Grievance fails to appear for a scheduled hearing, the Committee has the discretion to proceed with the hearing and issue its findings and recommendations in the party's absence.

13. The decision of the Committee shall be based on the relevant evidence presented at the hearing. The
decision shall be in writing and include: a list of all documentary evidence and witnesses presented; a summary of the testimony offered by both parties and their respective witnesses; the findings of the Committee and its recommendations. Copies of the decision and recommendations of the Student Grievance Committee shall be forwarded by the Student Grievance Officer to the President or his/her designee for review and final disposition. The President or his/her designee shall accept, reject or modify the Committee’s decision and/or recommendations and issue a final written decision.

14. All findings and decisions reached under this Procedure shall be based on a “preponderance of evidence” standard (i.e., more likely than not). Any action taken hereunder shall be reasonable under the circumstances, in accordance with applicable College rules and procedures and be grounded in fundamental fairness.

WITHDRAWAL

A student may withdraw his/her complaint or Grievance at any time. Withdrawal must be accomplished in writing or by oral agreement confirmed in writing.

RETISSION

No member of the College community shall retaliate or threaten to retaliate against, interfere with, restrain, or coerce any student in the exercise of his/her rights under the Student Grievance Procedure or his/her participation in any Grievance proceedings.

COLLATERAL RIGHTS OF PERSON GRIEVED BY STUDENT

If the recommendations made at any level of the Grievance procedure result in sanctions against a college employee, the sanctions shall be regarded as administrative actions subject to all conditions of applicable collective bargaining agreements and College or Board of Higher Education personnel policies.

ALTERNATIVE FORUMS

Filing a Grievance in accordance with the Student Grievance Procedure in no way abrogates a student's right to file a complaint with an appropriate state or federal agency or in another forum.

WEAPONS AND FIREARMS POLICY

Except for authorized law enforcement purposes, no weapons of any kind are allowed on QCC campus. (Consistent with the College's Code of Conduct).

All students are expected to read their college email regularly and respond appropriately. If students choose to forward their Qmail to another email provider, they are still responsible for receiving all college communications. The college also has an Emergency Alert text messaging system. Students can choose to sign up for this service through The Q, the college’s student and faculty portal.
College Procedures

ASSESSMENT OF STUDENT LEARNING
Quinsigamond Community College employs the traditional practice of assessment of student learning wherein the quantity of learning is measured by the number of credits (semester hours) earned, and its quality is recognized by an award of a grade for the learning experience. The design of this college practice shall be, so far as practicable, responsive to the needs of students enrolled in a course or program. The status of the student in a program shall be determined by accumulated course grades earned.

GRADING POLICY

1. The grading policy shall be in conformity with the College mission of access and quality.

2. Grades shall be awarded only for demonstrated student learning.

3. Program goals shall be achieved through successful completion of established learning outcomes of educational experiences in the program.

4. Learning outcomes of educational experiences shall constitute the basis for assessing student learning.

5. The criteria for assessing learning outcomes shall be as objective as possible.

The status of the student may also be indicated by the following designations which will not be computed in the QPA.

I: The student has satisfied the major requirements of the learning experience, as judged by the instructor, and can complete the assigned work by the end of the twelfth week of the following full semester.

I/R: The student has agreed to repeat the course within the following year. Not computed in the QPA until converted to an academic grade.

AU: The student is registered in the learning experience as an audit student. Not computed in the QPA.

W: The student has officially withdrawn on his/her own from the learning experience. Not computed in the QPA.

WA: The student has been withdrawn administratively for failure to fulfill financial or immunization obligations or for medical or disciplinary circumstances. Not computed in the QPA.

X: The student has not officially withdrawn from the learning experience, and the instructor has judged there is insufficient basis for evaluation. The X grade is considered an indication for unsatisfactory academic progress for financial aid purposes.

P: The student has satisfactorily completed the learning experience with a C grade or better. Not computed in the QPA but computed in credits attempted.

GRADING REGULATIONS

1. The letter grades A,B,C,D,F shall be awarded for learning outcomes
for an educational experience achieved through alternate delivery systems only if a QCC faculty member is responsible for the entire experience. The letter grade of P shall be awarded for acceptable learning outcomes for a prior learning experience.

2. The minimal passing grade for developmental courses (courses numbered below 100 level) shall be C.

3. The grade of I will be converted to an academic grade by the end of the twelfth week of the following full semester. Students who have not completed the course requirements by the end of the twelfth week will have the course grade changed to F.

4. When a grade of I is issued, the instructor will indicate on a specified form assignments which will remedy the deficiency, or that the course is to be repeated.

5. This form will be filed in the Registrar’s Office. The Registrar will send the form to the student.

6. If an instructor wishes to use P instead of A, B, or C, he/she must receive written permission from the Academic Vice President at the beginning of the semester.

7. Instructors’ course requirements, expected learning outcomes, methods of evaluation, and attendance policy will be published in writing and will be submitted to students by the end of the first week, or equivalent, of class.

---

**GRADING SYSTEM**

The individual faculty member may determine what numerical equivalent, if any, to assign to the various grade designations. Faculty may use an absolute numerical value or they may grade on the class average. The following table indicates recommended by nonmandatory numerical/letter equivalents for awarding grades. Note: the quality point for each letter grade is a college-wide policy, not merely recommended as a guideline:

8. Evaluation of the student learning will be made according to the instructor’s stated learning outcomes. Auditors do not receive official grades on examinations or other class assignments although they may be asked to fulfill all course requirements. No change to or from audit status will be permitted after the first ten weeks of class (or equivalent class hours).

9. If a course is repeated, only one grade will be used in computation of the QPA. However, both the original and the second grade earned will remain on the student’s permanent record.

10. Students may add or drop courses during the Add/Drop Period in the first eight days of the Fall and Spring Semester and the first four instructional days of the Summer Semester. During intersession Add/Drop will only be processed on the first day of class.

11. If the student wishes to withdraw prior to the tenth week of class (or the equivalent), he/she may complete the form, obtain the signature of the instructor or their academic advisor and return it to the Registrar’s Office.

After the tenth week (or equivalent), the student must get the instructors signature. The instructor will then designate if the student withdrew while passing or withdrew while failing.

12. A student intending to withdraw from a course after the Add/Drop period must do so prior to the last day of classes:

• Obtaining a withdrawal form from the Registrar’s Office or the Advising Office.

• And return the completed withdrawal form to the Registrar’s Office.

13. Any student who cannot attend classes, take an examination, study, or fulfill work requirements on a particular day due to his or her religious beliefs, shall be excused from such obligations. The student will be provided with an opportunity to make up such examination(s), study, or work requirements.

ACADEMIC DISMISSAL AND PROBATION

1. All students matriculating in a degree or certificate program, other than first semester freshmen (cumulatively enrolled for under 17 credits), must meet the following requirements:

**Attempted**

**Credit Hrs** **Dismissal Probation**

<table>
<thead>
<tr>
<th>17 to 32</th>
<th>QPA under 1.50</th>
<th>QPA 1.50-1.69</th>
</tr>
</thead>
<tbody>
<tr>
<td>over 32</td>
<td>QPA under 1.70</td>
<td>QPA 1.70-1.89</td>
</tr>
</tbody>
</table>

1. First semester freshman (cumulatively enrolled for under 17 credits) who do not meet a minimum QPA of 1.00 will be put on academic probation.

2. Academic probation and dismissal will occur on the basis of the cumulative grade point average.
3. Only courses in which W grades or audits are received will not count in determining full-time and part-time enrollment status.

4. Students who are on probation for two successive semesters are subject to academic dismissal.

5. Academic probation/dismissal will not apply to intersession and summer sessions.

6. All dismissals are subject to review by the Academic Vice President.

7. Students who are academically dismissed from the college may qualify for readmission by the following methods:
   - attending courses as a non-matriculating student, improving their QPA to the minimal acceptable level, and earning a minimum of six credit hours;
   - remain away for one year;
   - petition the Vice President of Academic Affairs for reinstatement.

**Academic Standing**

"Satisfactory Academic Standing" and "Satisfactory Academic Progress" are synonymous with meeting the standards outlined in Item 2 of Academic Dismissal and Probation. Students on academic probation for one semester meet minimum requirements for good academic standing and satisfactory progress, but if they are on a dismissal status, they will be deemed as not meeting the minimum requirements. A Quality Point Average of 2.00 is the minimal level for graduating in any degree or certificate program.

1. Any student who is academically dismissed may appeal his/her case.

2. The student appealing his/her case does so in writing giving reasons supporting his/her reinstatement into the College. Directions for filing appeals are mailed with the student’s dismissal notice.

3. If a student’s appeal is granted, and the student is subsequently reinstated to the College, the recommendations of the reinstatement (course load, grade minimums, etc.) must be followed.

**Petition Process**

If a student believes there are unusual or extenuating circumstances which justify the exemption from an academic regulation (i.e., graduation course requirement), he/she can obtain a student petition form from the Registrar's Office (Rm. 152A) or the Advising Center (Rm. 61A). After completing the form, the student should return it directly to the Registrar’s Office. It will be forwarded to the Academic Vice President for a final decision.

**Request to Change Study Option**

A student can request to change from one degree or certificate program to another by completing a Study Option Change Request. This form is available in the Admissions Office in the HLC. In order to be approved to change from one academic program to another, the student must meet the minimum academic admissions requirements.
for the program he/she is requesting to enter. Admission is based on space availability.

**Course Changes**

Students should have semester course schedules in final form by the end of the registration period. If a student wishes to make a change in the schedule, he/she must contact the Registrar’s Office (Room 152A) or the Advising Center, (Room 61A) during the Add/Drop Period. However, it may not be possible to accommodate every request for a course or section change.

**Repeating a Course**

If courses are repeated, only one grade will be used in the computation of the QPA. However, both the original and the second grade earned will remain on the permanent record.

**Progress Reports**

During the eighth week of classes each semester, the student will receive mid-semester progress grades. Progress grades are intended only as indicators of progress in specific courses.

**Restricted Courses**

To insure the availability of required courses for students enrolled in specific programs, certain courses may be designated as “restricted.”

- Restricted courses will be identified by the Academic Vice President or his/her designee.
- Admission will be prioritized according to criteria set by Academic Vice President/designee as follows:
  a. Students enrolled in the program;
  b. Students on the related QCC program waiting list; and other students (with the approval of the Academic Vice President or designee).

**Sequential Courses**

In curricula where sequential courses must be arranged in the order of difficulty, the beginning courses will present a basic knowledge of the discipline, including the philosophy, techniques, and terminology as appropriate; and the contents of the succeeding courses will be based upon that knowledge.

- A course prerequisite will be established when a body of knowledge or skills level is necessary for a sequential course.
- Any student registered for a course for which he/she does not have the listed prerequisite, will be withdrawn from that course.
- The Instructional Dean or a designee will place the incoming student at the appropriate academic level according to his/her demonstrated performance or achievement.
- In sequential courses, where the first semester course is a prerequisite for the second semester course, a student receiving a 12 week “I” must petition the appropriate Instructional Dean for admittance to the sequential course.
- A matriculating student who has earned credit in a course with a prerequisite may not subsequently enroll in or receive a grade in the prerequisite course.
• The Program Coordinator or designee will annually review course sequencing and prerequisites to assure their continuing validity.

Withdrawal from the College

To officially withdraw from the College, a student must complete a withdrawal form which is available in the Advising Center (Room 61A). Prior to withdrawing, students will be asked to meet with an advisor for an exit interview. If students withdraw after the tenth week and before the last day of classes, they will receive grades from their instructors in accordance with the College’s grading policy.

Students receiving financial aid should check with the Financial Aid Office prior to withdrawing to determine the impact of their withdrawal on their Financial Aid. The Vice President of Enrollment and Student Services (Room 133A) receives all requests and documentation to withdraw for medical reasons. The Vice President will consult with appropriate personnel at the College, as well as the medical services provider of the student. After consultation, he/she will inform the student of the decision. If circumstances warrant, a process for future readmission will also be communicated.

Student Honors

Dean’s and Merit Lists

QCC recognizes the academic achievement of its students each semester. Students who meet the following criteria are eligible for recognition:

• All grades must be C or higher (no grades of I or X are permitted)
• Semester QPA must be 3.5 or higher and cumulative QPA must be 2.0 or higher
• All courses must be college-level

Dean’s List: Students who meet the stated criteria and have earned 12 or more credits in a given semester are named to the Dean’s List.

Merit List: Students who meet the stated criteria and have earned 6 or more credits in a given semester but fewer than 12 credits are named to the Merit List.

Individual Honors are noted on the student’s transcript each semester.

Phi Theta Kappa is the international honorary scholastic society for American Community and Junior Colleges. Its purpose is to recognize and encourage scholarship, leadership, fellowship and service among two-year college students. Each semester, a limited number of students who have particularly distinguished themselves at QCC are inducted into membership.

Who’s Who Among Students in American Community and Junior Colleges is one of the most highly regarded honors programs in the nation, earning the respect of college faculties and administrators. Recognition as one of the outstanding campus leaders in America is a major achievement. Each year, several QCC students are named to Who’s Who.
Graduation Honors
At graduation, QCC honors students for their outstanding academic achievement. Students with a Cumulative Point Average of at least 3.6 prior to graduation qualify for Highest Honors. Students with a Cumulative Point Average of 3.3 or 3.0 prior to graduation qualify for High Honors and Honors, respectively.

CLASS CANCELLATION
From time to time faculty will find it necessary to cancel their class. Notification of class cancellation for both day and evening absences are posted on The Q – the Student & Faculty Portal at www.QCC.edu and outside Room 127 in the Surpremant Building and outside the Registrar’s Office Room 152A in the Administration Building.

CORI & SORI INFORMATION
Introduction
Many consumers of services in our Field Placement Sites are particularly vulnerable. Some agencies conduct a very in-depth screening of potential employees to assure the highest quality of care and minimize placing the consumers at additional risk. One procedure used to accomplish this goal is a CORI check.

Student interns and potential employees may be required to submit to a CORI check as a condition of employment.

**AFFIRMATIVE ACTION COMPLAINT PROCEDURE**

**I. General Information**

**a. Application of Policy**

The complaint procedure is intended to provide a mechanism to investigate and where possible resolve complaints of alleged violations of this Policy against employees and students. The procedures outlined below are intended to ensure that the College will conduct an impartial, fair, effective, and efficient investigation of all allegations of discrimination without fear of retaliation. The complaint procedure is available to any employee or student who believes he/she has been discriminated against on the basis of race, color, religion, national origin, sex, age, disability, sexual orientation, genetic information, veteran status, maternity leave, gender identity, and/or subjected to sexual harassment, sexual violence, or retaliation. A complaint filed in another forum does not preclude a student or employee from filing a complaint under this Policy. Further, a complaint filed in another forum, including a criminal or civil complaint, shall not delay an investigation of a complaint filed under this Policy.
b. Confidentiality of Process

The complaint procedure will be conducted as confidentially as reasonably possible to protect the privacy rights of all individuals involved. The College may share information concerning the complaint with parties, witnesses and/or others during any phase of the procedure on a need-to-know basis and shall share information with union representatives as provided for in G.L.c.150E. All individuals with whom information is shared shall be advised of the confidential nature of the information and directed not to discuss the matter with anyone other than a personal advisor, if applicable.

c. Complainant Requests Confidentiality

Where a Complainant requests that no action be taken by the College or requests that her/his identity not be revealed, the College shall take reasonable steps to investigate and respond to the complaint, but shall inform the Complainant that such a request may hamper its ability to fully investigate an alleged violation of this Policy and/or to take appropriate remedial steps, including disciplinary action. Where an allegation includes the potential of an ongoing threat to the health, safety or security of the College or a potential adverse employment action, the Affirmative Action Officer shall inform the Complainant that it cannot ensure confidentiality and disclosure of their name may likely be required.

d. Anonymous Complaints

To the extent possible, the College is obliged to investigate and respond to anonymous complaints.

e. Off Campus Behavior

The College reserves the right to investigate alleged prohibited conduct under this Policy occurring off-campus when such conduct adversely affects the College Community, poses a threat of harm to the College Community; interferes with the College’s pursuit of its educational objectives and mission, and/or if a student or employee is charged with a serious violation of state or federal law.

f. Interim Action

The College reserves the right to suspend a student on an interim basis or place an employee on paid administrative leave prior to completing an investigation under this Policy when it reasonably concludes that a student or employee: (a) poses a threat to health or safety; (b) poses a threat to College property or equipment; (c) is disruptive or interferes with the normal operations of the College; or (d) is charged with a serious violation of state or federal law. In such cases, the College shall provide the employee or student of the specific reason(s) for the interim action. During a student’s interim suspension or an employee’s leave, the College reserves the right to prohibit the individual from entering upon the College’s property or participating in any College activities absent written authorization from an appropriate official of the College.

g. Joint Investigation

In some circumstances a Responding Party’s conduct may constitute a potential violation of this Policy and/or other conduct policies applicable to employees or students. In such cases, in order to
avoid duplicative investigatory efforts, a joint investigation under this Policy may be conducted by the AAO and the administrator charged with enforcing conduct policies. For example, if the Responding Party is a student, the Affirmative Action Officer and Student Code of Conduct Officer may jointly investigate the complaint. Based on the findings of their joint investigation, the student may be subject to disciplinary action for violations of the Affirmative Action Policy and/or the Student Code of Conduct. Where the Responding Party is an employee, a joint investigation may be conducted by the Affirmative Action Officer and the employee’s supervisor. Based on the findings of their joint investigation, the employee may be subject to disciplinary action for violations of the Affirmative Action Policy and/or for inappropriate and unprofessional conduct.

h. Collateral Rights of Employees

Any disciplinary action taken against an employee shall be regarded as an administrative action subject to all terms and conditions of applicable collective bargaining agreements or personnel policies.

i. Complaints of Sex Discrimination, Sexual Harassment or Sexual Violence

The Title IX Coordinator shall have the responsibility for administering this Policy relative to complaints of sex discrimination, sexual harassment and sexual violence.

II. Complaint Procedure

The complaint process is comprised of two procedures - the informal procedure and the formal procedure.

a. Informal Procedure

Where appropriate, the parties to a dispute and/or the Affirmative Action Officer, may attempt to reach an informal and prompt resolution of the potential complaint. Informal resolution is encouraged and any of the parties involved may request the intervention of the Affirmative Action Officer to assist in resolving the matter informally. An informal resolution is achieved through open dialogue between the parties that allows for the airing of any misunderstandings or disputed issues. The informal procedure shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. Further, at no time shall a Responding Party question or confront a Complainant, or engage a third party to do so, as such conduct may constitute intimidation and/or retaliation, which are strictly prohibited under this Policy.

b. Formal Procedure

The following rules apply throughout all phases of the formal complaint process: (1) all parties to a complaint may have a personal advisor (for union employees this may be a union representative); (2) the role of a personal advisor is limited to providing discrete advice and counsel to the party; (3) the filing of a complaint under this Policy shall not preclude a Complainant from pursuing a complaint in a separate legal forum; (4) a complaint involving a grade dispute shall proceed under this Policy when a student alleges that a grade was improper because of
discrimination, discriminatory harassment, sexual violence or retaliation; and (5) all findings reached under this procedure must be based on a “preponderance of evidence” (i.e.; more likely than not) standard.

At any point during the formal complaint procedure, either party may request mediation by contacting the Affirmative Action Officer. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. Mediation shall be mutually agreed upon by the parties. The Affirmative Action Officer, or designee, shall select an impartial mediator, who shall be mutually agreed upon and not unreasonably refused by either party, and inform the parties in writing of the mediation process and schedule. The mediator must have training or experience in mediating matters subject to this complaint process. Where practicable, a mediation session shall be conducted no later than thirty (30) days after agreed to by the parties. The timelines presented under the Complaint Procedure shall be tolled pending the outcome of mediation. If mediation is successful in resolving the complaint, the Affirmative Action Officer shall reduce to writing the terms of the mediated resolution, which shall be signed by the parties. The mediation process shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. If mediation does not result in a resolution, all mediation discussions shall remain confidential and may not be used or introduced in this process or any other forum.

**Step 1 – Affirmative Action Officer Investigation**

When a Complainant believes that he/she has been discriminated against because of his/her race, color, religion, national origin, sex, age, disability, sexual orientation, gender identity, genetic information, veteran status, maternity leave and/or subjected to sexual harassment, sexual violence, or retaliation, the Complainant may file a formal written complaint in writing with the Affirmative Action Officer. For student Complainants, a formal complaint may be filed within thirty (30) days following the end of the instructional period when the Complainant knew or should have known of the grievable act. For employee Complainants, a formal complaint may be filed within thirty (30) days from when the Complainant knew or should have known of the grievable act. The complaint shall contain a statement of all known facts pertaining to the alleged violation and shall be filed preferably on the Affirmative Action Discrimination Complaint Form (see Appendix A), which shall be available from the Affirmative Action Officer. If a student is involved, the Affirmative Action Officer shall notify the Vice President or Dean of Student Services.

During Step 1, the Affirmative Action Officer has the authority to seek to resolve the complaint through an administrative remedy. If the parties accept the administrative remedy proposed, its terms shall be reduced to writing, signed by both parties and the Affirmative Action Officer shall retain the document, with copies to the parties. Thereafter, the matter shall be considered resolved between the parties.

Upon receiving a written complaint, the Affirmative Action Officer will notify the Responding Party in writing, of the complaint (see Appendix B), and provide the Responding Party with a copy thereof.
The timeliness of such notification shall be in accordance with the appropriate collective bargaining agreement, if applicable. The Responding Party shall have ten (10) days from receipt of notice to submit to the Affirmative Action Officer a written response to the complaint.

Where practicable, within thirty (30) days from the date the Respondent’s written response is received, or the date it was due if none was submitted, the Affirmative Action Officer shall conduct an investigation and prepare and issue a Report of Preliminary Findings to the parties. The investigation shall include, but is not limited to, an analysis of the allegations and defenses presented, consideration of all relevant documents, including materials presented by the parties, interviews of the parties and other individuals and/or witnesses, and/or reviewing certain documents or materials in the possession of either party that the Affirmative Action Officer has deemed relevant to the complaint. The Affirmative Action Officer’s report shall specify the investigation undertaken and summarize his/her preliminary findings. The report shall be delivered to the parties in hand or by certified mail. If the investigation is not completed within thirty (30) days, status updates shall be provided to the parties every thirty (30) days until its completion.

Thereafter, the parties will have ten (10) days from the date of their receipt of the Report of Preliminary Findings to submit Rebuttal Statements to the Affirmative Action Officer. The parties may present no new allegations at that time. Where practicable, within seven (7) days of receiving the parties’ Rebuttal Statements, the Affirmative Action Officer shall review the rebuttal Statements and prepare and submit a Report of Final Findings and Recommendations to the President’s Designee for consideration.

**Step 2 – Review and Decision by the President’s Designee**

Where practicable, within ten (10) days of receipt of the Affirmative Action Officer’s Report of Final Findings and Recommendations, the President’s Designee shall issue a written decision to the parties. The written decision shall accept, reject or modify the Affirmative Action Officer’s Final Findings and Recommendations. The Designee’s written decision shall be delivered in hand or by certified mail and shall include the Report of Final Findings and Recommendations. If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College’s Board of Trustees shall designate a Board member(s) as Designee to administer Step 2 of the Complaint Process.

**Step 3 – Appeal to President**

A party who is not satisfied with the Designee’s written decision may file an appeal with the President within five (5) days of receiving the Designee’s decision. Where practicable, within five (5) days of receiving the appeal, the President shall issue a written decision accepting, rejecting or modifying the Designee’s decision. The President’s decision is final provided that any corrective action and/or discipline imposed is subject to applicable collective bargaining agreements.
If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College’s Board of Trustees shall consider the appeal and issue the written decision.

1. Students seeking readmission into a program listed above must meet with the Program Coordinator to establish the steps that must be taken to request readmission. The student will be required to complete a Request for Readmission Form on which the Program Coordinator will list the specific steps that must be completed prior to consideration for readmission, and will note dates for completion of each step.

Specific timeline for initiating and completing readmission criteria are detailed in each program’s handbook. A copy of the Request for Readmission Form will then be given to the student and will be made part of the student’s permanent file in the office of the specific program.

Once the student completes the requirements by the date specified and outlined on the Request for Readmission Form, a Review Committee, consisting of faculty members from within the department, will meet and make a recommendation regarding the student's readmission. This Committee’s recommendation will then be sent to the Dean of Healthcare for recommendation and then to the Vice President of Academic Affairs for a final decision. After the final decision is made, the Office of the Vice President of Academic Affairs will forward the completed Request for Readmission form to the Admissions Office. The student will then be notified of the decision in a letter from the Admissions Office.

2. Only under extenuating circumstances will readmission be considered a second time. The Vice President of Academic Affairs, based upon the recommendation from the Program Coordinator and the Dean of Healthcare, must agree to any approval for a second readmission.

The Nurse Education Program (A.D.N. Program) will use the following process for second time readmission:

• The student must initiate the second time readmission process through a meeting with the A.D.N. Coordinator.

• The student will make an appointment with the Dean of Healthcare to complete an Appeal for Readmission Denial Form.
3. Students should review the Program Handbook for their individual program for dismissal policies prior to requesting readmission to the program.

**Specific Health Programs only (4-8)**

4. Students seeking readmission to the Nurse Education Program (A.D.N. Program) must remain away from the program at least one semester and for no longer than four semesters. (*Unless extenuating circumstances have caused the student to withdraw in good standing during the previous semester and the student has met with the Program Coordinator to discuss the situation) NUR 202 readmission may be an exception to this policy. Contact the Nurse Education (A.D.N.) Program Coordinator for the specifics.

Readmission to the Dental Assisting, Dental Hygiene, Medical Assisting, Occupational Therapy Assisting, Practical Nursing, Radiologic Technology, and Respiratory Care Programs must occur within one year of withdrawing or failing out of the Program.

Readmission for the EMT Paramedic Program is only allowed for the didactic semesters. A student who is unable to complete the clinical and/or field placement component of the EMT Paramedic Program cannot be readmitted. Contact the EMT Paramedic Program Coordinator for the specifics.

5. Students will be considered for readmission only once into the Dental Education Programs (DHY and DAS), EMT-Paramedic, Medical Assisting, Nurse Education Programs (PN, A.D.N., NUE and Advanced Placement NUL, NUP), Occupational Therapy Assisting, Radiologic Technology, Respiratory Care, and Surgical Technology Programs (DAS, DHY, EMS, MSS, NUR, OTA, PNP, RDT, RCP, and SUR, designations).

The respective programs reserve the right to refuse readmission based on, but not limited to, unprofessional behavior, unethical conduct, and client safety issues.

As specified in the Programs’ Clinical Policies and Procedures Handbooks, students granted readmission to the Dental Hygiene Program, Radiologic Technology Program, or the Respiratory Care Program would be required to repeat the clinical course for the semester of re-entry even if they received a passing grade previously for the course.

6. The recommendation for readmission to all semesters will be based on space availability. Recommendations for first semester courses will be limited to three spaces for Nurse Education/Day, three spaces for Dental Hygiene and Practical Nursing; two spaces for Radiologic Technology, Respiratory Care, Occupational Therapy Assisting and Advanced Placement LPN/Paramedic Nurse Education and one space for Surgical Technology, Nurse Education Evening Program, and Practical Nursing Evening. Additionally, two spaces in the Practical Nursing Program are reserved for the Nurse Education Program (A.D.N) for students who wish to be considered for admission into the Practical Nursing Program.

All other programs presently have no limit on the number of spaces allowed for readmissions. Section O must be followed to be considered for readmission.

7. TEAS (Test for Essential Academic Skills) are required by specific health programs for readmission. The

The numerical value of the TEAS test used for readmission into the specific health program will be the same as those used for admission into the program. All students reentering a health program must meet the TEAS requirement of the specific health program.

8. Request for Review of TEAS scores

Students may request a review of their scores by the health program of the major to which they are applying if their score is within 4 percentage points of the admission requirement in one subject area of the TEAS. Three of the four areas must meet the numerical requirements in the subject areas.

Students requesting readmission to Dental Assisting and Surgical Technology may request a review if their composite score is between 41-44%. Students requesting readmission to Practical Nursing may request a review if their composite score is between 43 and 46%.

The student should contact Advising for more information.

**RE-ENTRY TO EARLY CHILDHOOD EDUCATION**

Students who leave the program after successfully completing Cluster C (ECE 231, 251, 253) must return to the program within one year. If a student remains out longer than 1 year they must repeat ECE 231, 251 and 253 in order to move on to Cluster D ECE 232, 252 and 254.
REFUND OF TUITION AND FEES

Students are responsible for the semester charges whether or not they attend. To remove or reduce these charges, students must officially withdraw in the Registrar’s Office Rm. 152A. All refunds are pro-rated based upon withdrawal date. Please refer to the semester Tuition and Fee Refund Policy for financial penalty when withdrawing from your classes. Mandatory Health Insurance premiums are not refundable to any student. Please note: All tuition and fee amounts are subject to change without notice.

The refund is subject to the following limitations:

- Official withdrawal must be made in the Registrar’s Office or Advising Office.
- Any waivers must be submitted to the Student Payment Center prior to the semester deadline to be considered for a refund or adjustment
- Mandatory health insurance premiums are not refundable to any student
- Students will be refunded only that portion of tuition and fees paid by them; financial aid and other third party payments will be refunded directly to the paying party.

Students who have officially withdrawn from a class or classes may be eligible for a refund of tuition and fees. Please refer to the College semester booklets for Refund deadlines and financial penalty. Students receiving Federal or State Financial Aid who cease to attend during the first 60% of his/her term at the College will have their financial aid pro-rated based on the number of days attended. If financial aid was disbursed, the student may owe a repayment of some or all of the financial aid received.
