

All College Forum 11-1-16

- ▶ Consultants Dr. Eric Richtmyer and Dr. Shirley Pippins from Academic Search addressed the Forum, introducing themselves, sharing their background and the background of Academic Search. They expressed that the purpose of this first visit to QCC is to get to know the college and gather information for the development of the position profile and seek the desired qualifications of the next president.
- ▶ Three key questions were asked:
 1. What makes QCC unique? What draws you to QCC?
 2. What are the challenges and opportunities you see coming up for the college?
 3. What are you looking for in the next President?
- ▶ Ideas, suggestions, challenges, and expectations were shared by the Forum attendees. Additionally, the email addresses of the consultants were shared, offering the opportunity for employees and students to share more information directly with the consultants. The creation of a Presidential Website (link) will be put up on the QCC website with search updates and a survey to share additional information during the search.
