Mission Statement

QCC is committed to access for all individuals. The purpose of Disability Services is to assist students with disabilities achieve their educational goals by providing reasonable accommodations and support services.

About Us

Disability Services collaborates with students, faculty, and staff to create a campus environment that is accessible, equitable, and inclusive of all members of the college community. As a student and faculty resource, Disability Services offers a number of services to facilitate access.

Definition of Disability

Disabilities are impairments that substantially limit one or more major life activities such as learning or working. The impairment may be either temporary or permanent. Disability Services works under the auspices of federal laws Section 504 of the Rehabilitation Act (1973) and the Americans with Disabilities Act with Amendments (2008). The Individuals with Disabilities Education Act (1990) does not apply to the postsecondary setting.

Confidentiality

Information is released only with the student’s consent.

First Steps

1. Contact Disability Services to make an appointment.
2. Send in disability documentation to Disability Services via FAX, mail, or drop-off. Contact Disability Services to obtain a copy of the disability documentation guidelines.
3. Meet with a Coordinator to discuss educational history, learning strengths and needs, and accommodations.

Services

- Assistive technology resources and support
- Medical parking
- Information and referral for college supports
- Various services based on student need and interest, such as the Social Group and the Student Leadership Crew

Get Started Today!
