

MENTAL HEALTH AND OUR CRIMINAL JUSTICE SYSTEM

BUILDING A HEALTHY FOUNDATION FOR THE NEXT GENERATION

For more information, visit: <https://freshstart508.org/>

- Derrick Kiser is the CEO and founder of **Fresh Start Wellness Center**. Fresh Start is a non-profit mental health agency that creates and implements mental health programs in the educational and criminal justice system. He started Fresh Start as a solution to a problem he directly lived through when he co-founded the first gang in Worcester, MA.
- He works directly with high risk individuals in his professional work in the school system, foster care/DYS, community-based in-home therapy, and acquired degrees and certifications directly related to aiding this population. These accolades, paired with his involvement with the criminal justice system make him the leader needed to "Build a healthy foundation for the next generation."

Come meet **Derrick Kiser**, along with guests **Sheriff Lew Evangelidis**, **District Attorney Joseph Early** and **Worcester County Judge Bibaud** who will speak about their collaboration with an emphasis on mental health and criminal justice reform.
