STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

Your academic record at QCC will be regularly reviewed prior to the awarding of financial aid. You must complete a minimum percentage of all courses in which you enroll as well as maintain a satisfactory grade point average. The guidelines for continuing financial aid are outlined in the college catalog and are also available from the Financial Aid Office.

BILLING INFORMATION FOR FINANCIAL AID APPLICANTS

Financial aid awards cannot be applied toward a tuition and fee bill until an official award letter is issued from the College. If you have applied for financial aid, but have not been notified of your eligibility for assistance by the College, you must make payment arrangements for the amount due directly with the Business Office.

TAX INCENTIVES FOR HIGHER EDUCATION

The tax code provides a variety of tax incentives for families who are saving for, or already paying, higher education costs or are repaying student loans.

You may be able to claim a Hope and Lifetime Learning Credit for the qualified tuition and related expenses of the students in your family (i.e., you, your spouse, or an eligible dependent) who are enrolled in eligible educational institutions. Different rules apply to each credit. If you claim a Hope Scholarship Credit for a particular student, none of that student’s expenses for that year may be applied toward the Lifetime Learning Credit.

You may be able to claim a tuition deduction of up to $4,000 of qualified education expenses paid during the year for yourself, your spouse, or your dependent. You cannot claim this deduction if your filing status is married filing separately or if another person can claim an exemption for you as a dependent on his or her tax return. The qualified expenses must be for higher education.

You may be able to deduct interest you pay on a qualified student loan. And, if your student loan is canceled, you may not have to include any amount in income. The deduction is claimed as an adjustment to income so you do not need to itemize your deductions on Schedule A Form 1040.

HELPING YOU MEET THE COST OF EDUCATION

Financial Aid is awarded in the form of grants, scholarships, loans, tuition waivers, and work-study employment to students admitted to an eligible program at Quinsigamond Community College (QCC). Your eligibility for financial aid is based upon need. Detailed information on the calculation of the financial need and the cost of education is available from the Financial Aid Office. More information is available on our website at www.QCC.edu/financialaid.

APPLYING FOR FINANCIAL AID

Students must apply for financial aid every academic year.

1. File online at www.fafsa.gov. Contact the Financial Aid Office if you need assistance filing your FAFSA.

   New FAFSA’s are available in January for the following Fall semester.

2. Allow 3-5 business days for your FAFSA to be processed. You will receive a Student Aid Report (SAR) in the mail or by e-mail which you must review for accuracy.

   Some applicants may be selected for verification. The Financial Aid Office could request additional information regarding household size, income sources, identity or official transcripts from previous institutions to complete the verification process. We encourage students to use the IRS Data Retrieval tool to provide the fastest and most accurate tax information.

3. The filing date for the Fall semester is April 1. The Spring semester only is October 1.

   • Students who complete their files after the QCC priority filing date will be reviewed for awards on a rolling basis. Many sources for funding are limited in availability, with the on-time applicants receiving priority consideration.

   • The MASSGrant program must receive your processed FAFSA by May 1.

   • Students are not approved for financial aid until they receive the official AWARD NOTIFICATION from the Financial Aid Office at QCC. For loan programs, Entrance Counseling must be completed and promissory note must be signed and executed prior to funding being available.

   • The LAST DATE to complete an application and file for an award is prior to your last date of attendance.
