

Identity and Education Statement 2023-2024

Your FAFSA has been randomly selected for verification by the Department of Education. One of these requirements as part of your financial aid application for the 2023-2024 Academic Year is to verify your identity and sign a Statement of Educational Purpose form. **This must be done in person either at QCC or with a Notary Public.** Please come to the second floor of the HLC with a government-issued photo ID such as, but not limited to, a driver's license, other state-issued ID, or a passport to complete this requirement.

If you are unable to appear in person at a QCC location due to an extenuating circumstance, you may complete this requirement in the presence of a notary. Call us at 508-854-4261 or email financialaid@qcc.mass.edu and we will send you a copy of the required form. You will need to bring that form to a notary and complete it in their presence. Then mail the original form, with a copy of your government-issued ID, to:
