WORCESTER — Quinsigamond Community College has earned the 2021-2022 Military Friendly® School designation. Institutions earning the Military Friendly® School designation were evaluated using both public data sources and responses from a proprietary survey. More than 1,200 schools participated in the 2021-2022 survey with 747 earning the designation.

“This award is an honor for QCC and all the veterans who attend here. We pride ourselves on our commitment to our vets. We are extremely proud of every service person who walks through our doors,” said QCC’s Veteran Affairs Director, Paula Ogden.

The 2021-2022 Military Friendly® Schools list will be published in the May issue of G.I. Jobs magazine and can be found at [www.militaryfriendly.com](http://www.militaryfriendly.com).

Methodology, criteria, and weightings were determined by Victory with input from the Military Friendly® Advisory Council of independent leaders in the higher education and military recruitment community. Final ratings were determined by combining the institution’s survey response set and government/agency public data sources, within a logic based scoring assessment.

“Schools that achieve designation show true commitment and dedication in their efforts. Our standards assist schools by providing a benchmark that promotes positive educational outcomes, resources, and support services that better the educational landscape and provide opportunity for the military community,” said National Director of Military Partnerships, Military Friendly®, Kayla Lopez.

# Local students named to Western New England University Dean’s List

SPRINGFIELD — Close to 750 students have been named to the Fall 2020 Dean’s List at Western New England University. To qualify for the Dean’s List, students must achieve a GPA of 3.30 or higher.

“We are so proud of our Dean’s List students who demonstrated an unwavering commitment to excellence in their studies despite the unique challenges of our fall semester,” commented Dr. Robert E. Johnson, President.

“Of the roughly 3,000 colleges and universities tracked by the College Crisis Initiative, Western New England University was among just 27 percent nationwide that resumed primarily ‘in-person’ teaching last fall. Our Dean’s List students stayed focused and engaged; they should be very proud of their achievements. Well done, Golden
