

REALTOR® Association brings in food donations for Net of Compassion

WORCESTER — The REALTOR® Association of Central Massachusetts (RACM) held a food drive for the nonprofit Net of Compassion in Worcester. The drive, led by RACM's Community Action Committee, collected over a thousand non-perishable food items. The items included: bagged rice, canned beans, chicken broth, canned vegetables, cereals, juice, pasta, and soups.

The REALTOR® Association of Central Massachusetts is proud to support two housing-related charities each year. This year, the Community Action Committee is working with Abby's House in Worcester, and Net of Compassion in Worcester. Worcester Chamber Music Society offers free tickets for seniors

WORCESTER — Worcester Chamber Music Society (WCMS) is pleased to announce that generous support from the Local Cultural Councils in Auburn, Gardner, Lunenburg, and Shrewsbury has allowed them to make available a limited number of free tickets to seniors in those towns for their upcoming "Horizons" concert. The performance premieres April 25 at 4 p.m., and includes a virtual reception with the musicians after the concert. The concert will be available to stream through June 30.

Streaming Premiere: Sunday, April 25 at 4 p.m.

With guest Aaron Engebret, baritone

Samuel Barber Dover Beach
Hilary Tann Llef Ludwlg van Beethoven Piano Trio, Op. 97 "Archduke"

The program includes Samuel Barber's incomparable setting of Matthew Arnold's poem Dover Beach, for which baritone Aaron Engebret joins the ensemble.

Engebret is a much sought-after soloist and recording artist, whose performances of early music, contemporary premieres, and everything in between, have earned him critical acclaim. Also featured is Hilary Tann's evocative Llef, for flute and cello, and the performance concludes

with Beethoven's Archduke piano trio, op. 97, in celebration of the composer's 250th birthday. The title of the concert - "Horizons" - came about because each piece on the program reflects a change in time or place. Barber set Dover Beach to music in 1931, between the two

World Wars. Composed in the foothills of the Adirondack Mountains where she lives, Hilary Tann's piece evokes her childhood home in Wales from the distance of both age and place. Beethoven played the Archduke piano trio - his last and arguably his best - in his final performance, after which his deafness precluded further public appearances.

Tickets for this concert, either the free senior tickets (use discount code HORIZONS) or regular price, are available on the ensemble's website, www.worcesterchambermusic.org, or by calling the office at (508) 926-8624.

QCC anticipates reopening of Early Childhood Education Lab School

WORCESTER — Quinsigamond Community College President Luis G. Pedraja, Ph.D. has announced the anticipated reopening of the Early Childhood Education Lab School during the Fall 2021 semester. The Lab School serves as a lab/training site for students in QCC's Early Childhood Education program.

At the onset of the COVID-19 pandemic, the Lab School closed when the College transitioned to remote instruction; however, QCC's Early Childhood Education students continued their education through remote instruction. During remote operations, President Pedraja and the QCC Board of Trustees supported a program review, which examined and renewed the College's commitment to the Lab School.

"This renewed commitment directly responds to the needs of the Early Childhood Education program, and is in accordance with QCC's strategic plan and equity initiative," President Pedraja said. "The Lab School will have a phased reopening that is in accordance with licensure, health, and safety protocols, as is consistent with the reopening plans of the College."

Last month QCC released its plans to resume in-person services for the Fall 2021 semester following all health and safety protocols, while continuing to maintain strong online course offerings and student support services.

For more information about QCC, contact Josh Martin, Director of Institutional Communications at 508-854-7513 or jmartin@qcc.mass.edu.
