### Adult Programming

**Yoga with Julie** – Saturdays in September 10:00AM-11:15 AM

Join Julie at Gladys Kelly for a vinyasa yoga class for all levels. In Sanskrit, Vinyasa yoga translates to the “uniting of movement with breath”. A typical

class involves a centering of the mind with the breath, aromatherapy, movement of the body to release energetic blockages and, finally, a rest and relaxation. Classes are free for Gladys Kelly patrons, and will take place in the Library’s Community Room.

**Edible Wild Plants of the Northeast with John Root** – September 9th 6:00PM

“Edible Wild Plants of the Northeast” is a power point presentation offering a comprehensive

introduction to the identification and uses of wild plants for food and beverage. Distinguishing characteristics, seasons of availability, habitats, methods of preparation, and nutritional and medicinal value of our region’s most common and appealing wild plants are discussed. Questions and comments are welcome throughout the presentation, and illustrated pamphlets with plant descriptions, guidelines for responsible and safe foraging, and a bibliography for further study are

distributed as well.

**Fall Concert Series:** Mark Mandeville & Raianne Richards – September 11th 2:00PM

Mark Mandeville & Raianne Richards have contributed their first decade to the legacy of American folk and country music, sharing emotively intelligent lyrics, unmistakable vocal harmonies, and a unique blend of instrumentation with audiences throughout the US and Canada. The songs poetically reflect their personal

experience as factory workers, teachers, community organizers and natives of post-industrial mill towns in central Massachusetts. Accompanying themselves on guitar, harmonica, ukulele, penny whistle, electric bass, and most uniquely clarinet, their live performance is often punctuated by humorous commentary.

Do you love watching that little ball bounce along the artificial turf headed for the hole? Do you know how to use the wall to guarantee a hole in one? The Friends of the Gladys E Kelly Library are planning their fall welcome back to the library event. Mini Golf in the Stacks will be played throughout the library on Friday, October 1st from 6:00 – 9:00 PM and Saturday, October 2nd from 10:00 AM – 1:00 PM. The holes will have book themes of course. Adults will be invited to compete and socialize on Friday night. Saturday will be open for family fun. #### Fun By The Numbers

Like puzzles? Then you’ll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

#### Here’s How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
