3. SGA strategic Plan Group Discussion

Talent Show: We revisited last week's discussion of a QCC talent show. There was mention of changing the talent show to a game night, trivia night or scavenger hunt. The idea of a future separate game related night was mentioned in order to move forward with the talent show.

We also discussed a potential name for the talent show as well as possible prizes. Prizes would be given to two or three talent show entries and would be selected via an online random generator

We need to speak with the president about prizes as well as come up with a flyer to promote SGA and the talent show.
