4. Agenda and Notes, Decisions, Issues			
Topic			
1. President Reports: Person to speak: Armela Xhindole		<p>President Armela brought up that she spoke to Beth about the water bottle stations.</p> <p>Cheryl said that the purchase of the water station will go through her and Josh with the Office Of Student Life. She informed us that seed money is \$300.</p>	
2. Water Bottle Station Plans		<p>We spoke a lot about the location of the water bottle station SGA wishes to donate. Nick was thinking of the administration building where the vending machines are. He was also thinking of the Quest building near the stairs.</p> <p>Armela mentioned that the Quest building is new and is already complete.</p> <p>Anita brought up the S building as a possible location saying that the fountains there are already broken.</p> <p>Zachary suggested the Harrington Learning Center or replacing the broken water fountain by the auditorium since that one is always broken. He also mentioned that at the previous week's unofficial meeting advisor</p>	

Jorgo said the Fuller Student Center since that's where SGA and other clubs meet.

Armela mentioned that Fuller doesn't get as much student traffic as other buildings.

Tara liked the idea of the Harrington Learning Center saying there is already a fountain there and might not require any new piping.

Armela agreed saying the Harrington Center holds the Advising office, library, help desk, etc. She said the first place you go as a new student is the Harrington Learning Center. Said said it has a lot of traffic and brings a lot of students together.

Tara mentioned a space across from the cafeteria.

Shauna agreed saying the Harrington Learning center holds a lot of places bringing in a lot of student traffic.

Nick mentioned that maintenance might have a map of where all of the fountains are located.

Josh said facilities would have that information.

Armela brought up the athletic center.

Zach asked Josh if the school was still planning on adding more floors to the Athletic Center.

Josh said he believes that's been put off for now. He also said he appreciates the athletic center being mentioned as a possible location but says it makes more sense to put it in a high traffic area.

Armela brought up a survey of just one multiple choice question. Asking students where they would like to see a water bottle filling station.

Shauna asked, do we know when the survey will go out?

Armela said, the minute we approve the plan she will reach out to Gina to send out the survey.

The question, "Where would you like to see a water bottle filling station?"

- 1) Administration Building
- 2) Surprenant Building
- 3) Harrington Learning Center

There was talk of placing a map within the survey but it was figured that might be too much work.

Anita brought up that a lot of students only know the buildings by their abbreviations and not by the actual names.

Cheryl mentioned skipping the survey saying that the students who will be coming back probably have never even been on campus. To make it easier you as a senate make the decision so when they come back, it's there.

Tara and Shauna liked that idea.

Armela said all departments of QCC function by knowing what students want. I just want to make sure it's what they want, I just want it to be fair.

Tara said, I agree with inclusion but we have so much to do already and so many people to contact. I agree with inclusion but maybe ask students

	<p>before the second water bottle stations are placed. But right now, I agree with Cheryl. We're running out of time to do surveys.</p> <p>Cheryl mentioned the forms we need to fill out including the treasurer form that Deirdre needs to fill out and send to Beth.</p> <p>Nick said, I'm not sure if this will make things too complicated but I was thinking of going to local businesses asking for donations. The exchange would be a plaque on the water bottle stations with their business names.</p> <p>Cheryl said, just get going on the one you are donating first but for the second one, yes.</p> <p>Then Cheryl talked about fleeces so she could bring back more information to us next week.</p>	
<p>3. Senate Vote: For Treasurer</p>	<p>A vote was held for the position of SGA treasurer. Tara Rudolph, Zachary Carlson, Anita Griffin and Nicholas Turk all nominated Deirdre Gruff for treasurer.</p> <p>By a unanimous vote, Deirdre Gruff was elected SGA treasurer.</p>	
<p>5. Meeting Adjourn</p>		
<p>Motion: Anita Griffin</p>	<p>Second: Nicholas Turk</p>	<p>Meeting adjourned 4:02</p>
<p>6. Upcoming</p>		
<p>1. Next Student Senate meeting on February 18, 2021</p>		

Respectfully submitted,

Shauna Connelly
