STUDENT TRUSTEE ROLE DESCRIPTION

1. Board Overview

- a. There are 11 Board members, one is a Student
- b. Members are appointed by the Governor (Student Trustee and Alumni Trustee are elected)
- c. Appointments are 5 years – the student term is one year. Trustees have legal responsibilities, and must take an oath of office

2. Role of the Student Trustee

- a. Student Trustees represent all of the Students of the College
- b. The only difference between the Student Member and the other Trustees is the length of the term of office; in all other respects, the Student member is a full and equal member of the Board
- c. Student Trustees are asked to attend a monthly meeting with the President (generally over lunch, but we work with the student's schedule). These meetings are a good opportunity for the President to stay in touch with the student issues and concerns and for the Student Trustee to get answers and clarification about items under discussion by the Board
- d. Student Trustees are asked to attend a monthly meeting with the President of the Student Government Association and maintain continuous communication with the SGA throughout the year.
- e. The Student Trustee position is a tremendous opportunity for a student to witness and participate in professional Board meetings and to learn from the leadership of the college and the other members of the Board
- f. Student Trustees are assigned to serve on the Strategic Planning Committee and attend all Committee and Regular meetings (see calendar) and the annual Trustee Retreat
- g. This position is separate from SGA and is not responsible for planning or running events on campus.
