Topic			
1. President's Report: Person to speak, Armela	<p>Armela said, "I don't have many updates. I will update during the strategic plan."</p> <p>Jorgo asked, "Will this be the last official meeting?"</p> <p>Armela said, "We can do one, it doesn't have to be official."</p> <p>Jorgo told us that we might need to hold a special meeting to swear in the new SGA president.</p>		
2. Advisor's Report: Person to speak, Jorgo Gushi	<p>Jorgo reported that the other advisor won't be here due to health issues. He also let us know that the office of Student Life will hold a cap decorating event and that they will provide materials so keep an eye on the Open Door newsletter for further details.</p>		
Executive Reports: Person to speak, Tara Rudolph	<p>Tara reported that a town hall meeting was held last night. Tara said that the different department heads talked about what QCC is doing and that they went into breakout rooms. She expressed that she couldn't see what the meeting was for. But that QCC did a bang up job during Covid. QCC just did a phenomenal job.</p>		

	<p>Armela mentioned that one of her biology professors was there and explained how she fought to keep some lab classes going on campus while keeping it Covid safe.</p> <p>Tara said we are in a partnership with other colleges to find out what they're doing. QCC did great, that includes Jorgo. During E Team meeting we talked about strategic planning for us most important is the water bottle station.</p>
<p>Strategic Plan: Water Bottle station and Car wash</p>	<p>Armela informed us that they said the station was ordered and that it will take up to 90 days so it's going to take patience. The main topic right now is how much to give toward the station. She said she wants to leave something for the next SGA.</p> <p>Jorgo asked to be filled in on the water stations since he has missed a few meetings.</p> <p>Armela said it's going to take 90 days. They asked us to give an amount that we see fit. The product they chose is 5K we never asked for this big</p> <p>Shauna said, "I was thinking \$400 that way it leaves some for the next SGA."</p> <p>Armela said she was thinking \$300.</p> <p>Jorgo said, 5k I can get a new car with that. He went on to say, why don't we do another thing. Instead of giving them \$300 because out of 5K it doesn't make a difference. Why not donate the money to the foundation for a scholarship.</p> <p>Armela said that's another project on it's own. We have to put something toward the station.</p> <p>Shauna said, "Steve originally said they didn't want to take any money from us because they were already planning on putting stations in. But they would still put the plaque there and credit us because we gave them the push they needed to finally kick the project off."</p> <p>Tara said she didn't see the point in saying SGA had anything to do with this. I don't see any incentive to make sure that SGA is recognized if we don't give something.</p> <p>Armela said, "I feel that SGA needs to give something."</p> <p>Tara agreed with Armela that if we have around \$700 to give \$300.</p> <p>Jorgo said, we could use the money toward the plaque.</p> <p>Shauna said, I can see both sides. I'm cool with either.</p> <p>Jorgo said, i'm just an advisor just giving suggestions you guys can do as you want. But please make sure when you decide on the amount that you vote on it and put it in the minutes and Shauna, send it to me to have on record at the Office of Student Life.</p> <p>Armela asked if Jorgo could find out exactly the amount we have.</p> <p>Jorgo said when he gets in the office he will check and email it to her.</p>
<p>Motion was made: Person to speak, Armela</p>	<p>Armela Can I make a motion to vote on the amount to give towards the water station?</p> <p>Motion: Shauna Connelly Second: Zachary Carlson</p> <p>Armela: Who would like to give \$300</p> <p>Yes Vote: Nicholas, Zachary, Tara, Deirdre and Shauna</p>

	<p>No vote: Results: Unanimous vote, yes.</p>	
<p>Strategic Plan: Continued</p>	<p>Armela said, this is how far talk of the station goes. We will have no more discussions until we know it's at the school.</p> <p>Armela then asked if there was any update on the carwash fundraiser.</p> <p>Nick said, we have made some money but we only get half the money so we really need to start getting the word out. We just have to keep mentioning it to people, family and friends. We put the flyers out but it's the end of the semester so people are preoccupied."</p> <p>Armela let us know that she's more then willing to go and do anything.</p> <p>Nick said we just need to set a date.</p> <p>Jorgo said he put it in the Open Door and will share it via email with QCC family, faculty and staff.</p> <p>Nick asked Jorgo if he could put a clickable link in with the flyer in the Open Door.</p> <p>Jorgo said he can put it in the Open Door and asked Nick if he could send him the link and Nick agreed to send him the link.</p> <p>Armela said, "Can you give the amount?"</p> <p>Nick said, "\$20 or \$25 the last I checked."</p> <p>Zach mentioned that Mother's Day is coming and it's only \$10.</p> <p>Armela said, It doesn't end when the semester ends?"</p> <p>Nick said, no I think it's until the end of June.</p> <p>Tara brought up that that leaves a situation. If our last meeting is next week how do we discuss this?</p> <p>Armela said, you have my email, you have my phone number.</p> <p>Jorgo informed us that after we graduate we no longer have the right to vote. He said we can still continue this but we want to make more decisions. It will be difficult.</p> <p>Armela praised Nick for putting together the car wash.</p> <p>Tara said, so we need to have a different meeting to swear in the new president?</p> <p>Armela said, "Yes."</p> <p>Jorgo replied, "Mhm."</p> <p>Tara asked if we were meeting on Monday or on Tuesday?</p> <p>Armela suggested that we send out an email to see when we all could meet so that we can meet next week.</p> <p>Tara said, so we're meeting next week.</p> <p>Jorgo said, so you can swear in the president elect.</p> <p>Armela said, "We can do the swearing in this Thursday if you all are okay with it.</p> <p>Everybody said, yes.</p> <p>Tara asked, "So Thursday is an official meeting?"</p> <p>Armela said, "Yes."</p>
