RE: Public Records Request

Dear Mr. Rocheleau:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on January 11, 2021, for “Any/all disclosures of immediate family working in Massachusetts state government that were made by individuals who applied for employment with the Quinsigamond Community College between Jan. 1, 2015 and present” which was amended to request information on full-time employees only has been fulfilled. Thank you for also providing a time extension to fulfill this request.

Please see attached for records relevant to this request.

Sincerely,

Josh Martin
Director of Institutional Communications/Records Access Officer
