**Request:**

I request the following information regarding the use of funds from the federal CARES Act at Quinsigamond Community College.

- a. The amount of funding the college received for direct distribution to students.
- b. The amount of that funding the college has directly distributed to students.
- c. The amount of funding the college received not for direct distribution to students.
- d. The amount of that funding the college as expended.
- i. The ten highest expenditures of that funding
- e. The criteria used for expending that funding.
