RE: Public Records Request

Dear Mr. Tang:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on October 25, 2021, for “copies of public records that list all high schools that participate in the Commonwealth Dual Enrollment Program at your college/university” has been fulfilled.

Please see attached for the list of high schools that participate in the Commonwealth Dual Enrollment Program at Quinsigamond Community College.

Sincerely,

Josh Martin  
Director of Institutional Communications/Records Access Officer
