RE: Public Records Request

Dear Ms. Lemessy:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on December 28, 2021 for: "Spring 2016 – Fall 2021 semester. The request is limited to readily available general directory records without physically copying, scanning, or printing paper documents. Any editable electronic document is acceptable." has been fulfilled.

Quinsigamond Community College does not maintain any records responsive to this request.

Sincerely,

Karen Hutner
Interim Director of Institutional Communications/Records Access Officer
