RE: Public Records Request

Dear Ms. Sutton:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on May 6, 2022 to “please provide a copy of the lease agreement for the mailing equipment located at your facilities,” has been fulfilled via the attached document.

Sincerely,

Karen Hutner
Interim Director of Institutional Communications/Records Access Officer
