Request:

The following directory information would be most useful and appreciated, name, mailing address, email, major and graduating year. I am hoping for the last three years including the class of 2022 for the following majors:

- General Studies/Liberal Arts
- Human Services
- Nursing
- Computer Science
- Early Childhood Education
- Human Services

This would be a tremendous help and will allow the opportunity for students to explore the QCC/Elms programs with online options.
