Request:

Under the Freedom of Information Act and the Massachusetts Public Records Law I request the following information. I request as much of it in EXCEL format as possible.

For this request a distance education course means any course where the faculty and students did not always all meet in person in the same physical room.

For each Fall and Spring semester from Fall 2017 to Spring 2022:

1. A list of faculty who taught distance education courses by course
 - a. The mode (including but not limited to, online, hybrid, remote, synchronous, a synchronous, etc.) of the distance education courses
 - b. The amount each faculty member was paid for adaptation fees
 - c. The number of distance education credit hours each faculty member taught
2. The modes of distance education courses the college has (including but not limited to, online, hybrid, remote, synchronous, a synchronous, etc.)
3. The distance education modes the college paid faculty members adaptation fees for (including but not limited to, online, hybrid, remote, synchronous, a synchronous, etc.)
4. The distance education modes the college did NOT pay faculty members adaptation fees for (including but not limited to, online, hybrid, remote, synchronous, a synchronous, etc.)
5. Any college specific distance education agreements
6. A list of everyone on any college specific distance education committee(s)
7. A list of all faculty who were paid for distance education training (separately from adaptation fees) and the amount they were paid.

No one other than myself is authorized to withdraw or alter this request.
