RE: Public Records Request

Dear Mr. Bhatia:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on August 27, 2021, for: "...the Review Committee score of the evaluation criteria ranking" and "...the price and non-price proposals for all entities that submitted a response" in regards to QCC21-RFP-S003 – Project Manager is fulfilled.

The requested information is available at <https://www.qcc.edu/ACM-PRR>

Sincerely,

Josh Martin  
Director of Institutional Communications/Records Access Officer
