RE: Public Records Request

Dear Mr. Reyes:

Thank you for your recent Public Records Request. The Massachusetts Public Records Law (M.G.L. Chapter 66 & Chapter 4, Section 7(26)) provides that every person has a right to access public information. This right of access includes the right to inspect or be furnished a copy of any public record within ten (10) business days following the receipt of a request. A state agency is only required to provide records that are in existence and is not required to create a new record based on information in its custody to accommodate a specific request.

Your request, received on August 7, 2019, for “a copy of the following records: a physical or electronic copy of Quinsigamond Community College’s 990 tax form for fiscal year 2017, or an equivalent filing with the IRS, if available.” has been fulfilled.

Please be advised that after a diligent and thorough search, the College reports that it has no records in its care, custody or control that are responsive to your request.

Sincerely,

Josh Martin  
Director of Institutional Communications
