Request

On behalf of my client, I am conducting research on the factors being considered by Colleges and Universities nationwide as they research outsourcing opportunities for their bookstores. Part of this research identified all public bidding opportunities advertised over the past 18 months, including the request for proposals released by Quinsigamond Community College.

I am respectfully requesting, under the Freedom of Information Act as adopted in the state of Massachusetts:

- A copy of all proposals submitted to Quinsigamond Community College with respect to RFP #:QCC16-S1 titled Management and Operation of College Bookstore with a due date of May 23, 2016
- The final contract document between Quinsigamond Community College and bid winner.
- Copies of presentations and the proposal comparison analysis notes.

If possible, kindly send this information via return email in electronic format (such as a reduced size PDF), addressed to babelthoff@gmail.com . Dropbox.com can also be utilized for ease of fulfillment. If electronic format is not available, please mail the hard copies to my attention at the address below. I will gladly reimburse the University for all copying and mailing expenses incurred in complying with this request.

Massachusetts Public Records Act § 66-10 et seq., requires a response time of 10 days. If access to the records I am requesting will take longer, please contact me with information about when I might expect the requested information.

If you deny any, or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for your consideration.

Kind Regards,

Beth-Ann Belthoff
