

ARTICULATION AGREEMENT  
BETWEEN  
QUINSIGAMOND COMMUNITY COLLEGE  
AND  
PROVIDENCE COLLEGE, SCHOOL OF CONTINUING EDUCATION

The purpose of this Agreement between Quinsigamond Community College ("QCC") and the Providence College School of Continuing Education ("SCE") is to set forth the uniform conditions regarding articulation between the two postsecondary institutions and to provide the governing procedures for such articulation.

Providence College guarantees that QCC students who meet the conditions and requirements contained in this Agreement will be granted admission to the School of Continuing Education.

Objectives

1. To attract qualified students to Quinsigamond Community College and Providence College SCE;
2. To specify the conditions and requirements for a successful transfer from QCC;
3. To facilitate a successful transfer of qualified students from QCC to Providence College SCE; and
4. To encourage academic coordination and cooperation between institutions including joint academic advising for QCC students.

Conditions and Requirements

1. QCC students must have completed one or more of the Associate's Degree Programs at QCC listed in the attachment to this Agreement, in compliance with the course equivalency charts provided by Providence College.
2. Students must have completed a minimum of sixty (60) semester hours in an Associate's Degree program at QCC.
3. Students must maintain a minimum of a 2.0 grade point average (GPA) on a 4.0 scale and be in good academic and disciplinary standing at the time of graduation or transfer as determined by QCC.
4. Students must earn a grade of "C" or better to earn transfer credit for a course.
5. In order to be eligible to receive a Providence College SCE degree, students must (a) fulfill Providence College's Core Curriculum requirements; (b) complete the residency requirement of a minimum of 45 credits in Providence College SCE; and (c) earn at least 50% of their major credits with Providence College SCE coursework.
6. Any student enrolled at QCC continues to be eligible to apply as a transfer student, separate from this agreement.

Institutional Responsibilities

1. Both institutions agree to appoint an articulation agreement designee. Both institutions agree to maintain current listings of the course equivalencies; the articulation agreement designees will be responsible for maintaining these listings.
2. Both institutions will publicize a summary of this agreement in appropriate publications and web sites.
3. Providence College SCE will provide QCC with an updated list of course equivalencies bi-annually or sooner if significant revisions are necessary due to changes in the curriculum.
4. Both institutions will provide the necessary advising and other assistance to students in order to facilitate a successful transfer from QCC to Providence College SCE.
5. Students applying under this agreement will receive the same financial aid consideration as all other enrolling transfer students, consistent with Providence College SCE policy.
6. This agreement will be reviewed bi-annually, or when requested by either institution, and may be revised upon mutual consent. Any course and/or curriculum modifications require notification and review by the appointed articulation agreement designee at both institutions. Any changes in New England Association of Schools and Colleges accreditation status require a review by both parties.
7. Each institution will communicate any changes in program requirements that occur outside of the review period.
8. This agreement may be terminated by either institution by providing written notice to the other institution. The notice must state the effective date of termination which must be at least one year after the date the notice is received by the other institution. Any student enrolled at QCC during the time this agreement is in effect shall continue to receive the benefits of the agreement until the effective date of termination provided all conditions contained herein are met by the student.

Amendments

Any modifications, additions, and/or deletions to this Agreement must be in writing and signed by both parties to this Agreement.

Applicable Law

This Agreement will be governed by and construed in accordance with the laws of the State of Rhode Island.

ARTICULATION AGREEMENT BETWEEN  
QUINSIGAMOND COMMUNITY COLLEGE  
AND  
PROVIDENCE COLLEGE, SCHOOL OF CONTINUING EDUCATION

This Articulation Agreement is entered into this 29<sup>th</sup> day of January,  
in the year 2015, by and between Quinsigamond Community College (QCC) and  
Providence College School of Continuing Education (PC SCE) to facilitate the transfer of QCC graduates  
with associate degrees, as specified in the attachment to this Agreement, to PC SCE, as governed by the  
Objectives, Conditions and Requirements, and Institutional Responsibilities contained in this Agreement.

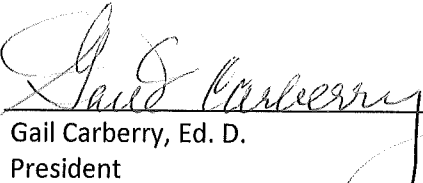

The articulation designee for Quinsigamond Community College is: *Daniel de la Torre, Coordinator of  
Transfer & Articulation*

The articulation designee for Providence College SCE is: Anne Nagle, Assistant Dean

**\*\*The combination of English 101 and 102 fulfill the Intensive Writing I core requirement in PC SCE.**

**NOTE:** QCC students who complete the A.S. in Fire Science with at least 60 credits and a minimum GPA of 2.00 will be guaranteed admission into the SCE B.S. in Fire Science program. Students must earn a grade of "C" or better to earn transfer credit for each course.

1. Providence College SCE will waive the \$55 application fee for students who meet the above requirements.
2. Students must fulfill the Providence College SCE core curriculum requirements; complete the residency requirement of at least 45 credits in Providence College SCE; and earn at least 50% of their major credits with Providence College coursework.
3. Most students transferring in with the Associate's in Fire Science will need approximately 60 credits to complete the bachelor's degree.
4. It is very important to consult with both QCC and PC SCE advisers regarding courses that can be transferred from QCC toward free electives at PC SCE.
