

Identity and Education Statement

Your FAFSA has been selected for verification as part of your financial aid application. The Department of Education requires students selected for this requirement to verify your identity and sign a Statement of Educational Purpose form. **This must be done in person at QCC.** Please come to the second floor of the Harrington Learning Center (HLC) with an unexpired valid government-issued photo ID such as, but not limited to, a driver's license, other state-issued ID, or a passport to complete this requirement.

If you are **unable to appear in person** at a QCC location due to an extenuating circumstance, you may be able to complete this requirement in the presence of a notary. Call us at 508-854-4261 or email financialaid@qcc.mass.edu for assistance obtaining the required form. You will need to bring that form to a notary and complete it in their presence. You must then mail the original form (with wet signatures), with a copy of the same unexpired valid government-issued ID presented to the notary, to:

**Quinsigamond Community College
Financial Aid Office
670 West Boylston Street
Worcester, MA 01606**

Please note that, if this requirement is completed using the notary process, you may still be required to meet with a QCC staff member via Zoom to validate your identity. You will be notified if this meeting is necessary. During this meeting, you must have your camera on and present the document you used at the notary on camera for authentication.
