

Direct Loan Decline and Reduction Form Summer 2025

Student's Name: _____ Student ID: _____

By submitting this request and signing below I acknowledge that I understand the following:

- QCC will decline the unsubsidized loan portion first as it begins to accrue interest at the time of disbursement.
- Loan declines and reductions may take up to 7 business days to be reflected on The Q.
- I must submit a written request to your office if I want to have the loan(s) reinstated. If I am declining/reducing my loan near or after the end of a semester, I understand that action may be permanent and there is no guarantee of reinstatement.
- If I have already received a refund check I will contact the Business Office to ensure that this decline or reduction will not create a balance on my student account before I submit this request.

Request to decline or reduce your loan by checking the appropriate boxes below.
