

Your FAFSA has been selected for verification as part of your financial aid application. The U.S. Department of Education requires students selected for this requirement to verify your identity. **This must be done in person at QCC with an authorized Financial Aid Representative.** Please come to the second floor of the HLC with an unexpired valid government-issued photo ID such as, but not limited to, a driver's license, other state-issued ID, or a passport to complete this requirement. QCC will maintain a copy of the student's photo ID that is annotated with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

If you are **unable to appear in person** due to an extenuating circumstance, contact the QCC Financial Aid Office to determine if an exception may be made to complete the process through another method.

*Please note that you may be required to provide photo identification to receive services at other QCC departments as part of the enrollment process. **Only the process above performed with an authorized QCC Financial Aid Representative for the express purpose of completing the identity verification required to receive financial aid will meet this requirement.***
