

Completing Income Verification 2026-2027

The US Department of Education selects Free Applications for Federal Student Aid (FAFSA) at random for a process called verification. This process requires the Financial Aid Office to verify self-reported income information reported on the FAFSA. “You” on this form refers to the individual(s) whose tax information is being requested by the College. 2026-2027 Income Verification is based on income earned in **2024**.

2023 FEDERAL INCOME TAX FILERS

If you have filed a **2024** Federal Tax Return most individuals can verify their income in one of two ways:

1. **Signed Copy of 2024 Federal Tax Return** – Provide a complete (including schedules) signed copy of the **2024** federal tax return (Form 1040) that was submitted to the IRS.
2. **Tax Return Transcript**
 - **Online:** Go to irs.gov. Click “Get Your Tax Record”. Click “Get a Transcript Online” OR “Get Transcript by Mail”. When you get to the “Get Transcript” screen, be sure to select “Return Transcript” for **2024**. Once received, be sure to submit **all** pages to our office.
 - **Mail:** Complete Form 4506-T (Request for Transcript of Tax Return) and mail it to the IRS. This form is available at irs.gov under “Forms & Instructions”. Be sure you send **all** pages as the mailed transcripts are double sided.
 - **Phone:** Call 1-800-908-9946. You will be put through a series of prompts to place your order. Be sure you request a “Tax Return Transcript”.

If your IRS filing status in 2024 was “Married Filing Jointly” but your marital status on the FAFSA is Single/Divorced/Separated/Widowed, please provide a copy of your W-2s as well.

If your 2024 Federal Tax Return includes a rollover of an untaxed pension or IRA distribution, please include a separate signed statement confirming the amount of the rollover with your tax return or tax return transcript.
